

441—95.25(252B) Emancipation verification. The child support recovery unit (CSRU) may verify whether a child will emancipate according to the provisions established in the court order prior to the child's eighteenth birthday.

95.25(1) *Verification process.* CSRU shall send Form 470-2562 to the obligor and obligee on a case if CSRU has an address.

95.25(2) *Return information.* The obligor and obligee shall be asked to complete and return the form to the unit. CSRU shall use the information provided by the obligor or obligee to determine if the status of the child indicates that any previously ordered adjustments related to the obligation and a child's emancipation are necessary on the case.

95.25(3) *Failure to return information.* If the obligor and obligee fail to return the questionnaire, CSRU shall apply the earliest emancipation date established in the support order to the case and implement changes in support amounts required in the support order.

95.25(4) *Conflicting information returned.* If conflicting information is returned or made known to CSRU, CSRU shall have the right to verify the child's status through sources other than the obligor and obligee.

This rule is intended to implement Iowa Code sections 252B.3 and 252B.4.
