

129—21.3 (8B,427) Application for certification. Applications for certification shall be completed and submitted online at <http://ocio.iowa.gov/> . In order to receive certification from the office, applications must be filled out in their entirety. Communications service providers making application to the office will be required to certify that all of the information contained in the application is accurate. If it is later determined that any of the information contained in the application is inaccurate, the office may revoke the certification, in whole or in part. An application for certification shall include without limitation the following information:

1. The communications service provider's legal and business name and address and the name, address, telephone number, and e-mail address of the person authorized by the communications service provider to respond to inquiries regarding the application for certification;

2. The census block number(s) as provided on the statewide map referenced in rule 129—20.4(8B,427) for the targeted service area(s) forming the basis of the application (i.e., the targeted service area in which the installation of the broadband infrastructure is being performed or was completed);

3. Attestation that the broadband infrastructure installed in the targeted service area(s) facilitates broadband service at or above 25 megabits per second of download speed and 3 megabits per second of upload speed; and

4. Any other information as requested in the application.
