

265—9.6(16) Services offered.

9.6(1) Abstracting. Abstracts utilized for division purposes must be prepared by a participating abstractor.

a. Title plant. A participating abstractor shall own and maintain, or lease and use, a title plant, including tract indices for each county in which that participating abstractor prepares abstracts for division purposes, unless exempt under Iowa Code section 16.91(5)“a”(2) and paragraph 9.6(1)“c” or authorized under Iowa Code section 16.91(5)“b” and paragraph 9.6(1)“d.” Each of the tract indices shall be designated to encompass a geographical area of not more than one block in the case of platted real estate, nor more than one section in the case of unplatted real estate. The tract indices shall include a reference to all of the instruments affecting real estate recorded in the office of the county recorder, and the tract indices shall commence not less than 40 years prior to the effective date of the abstractor’s participation in the title guaranty program. A government-maintained and -controlled database is not considered a title plant for division purposes.

b. Intent to build title plant. The division may authorize an abstractor who is building or who intends to build a title plant to prepare abstracts for division purposes upon review of the following:

- (1) The abstractor’s business plan;
- (2) Evidence that a title plant will be built for a specific county or counties within three years of authorization;
- (3) A timeline for completion of the title plant; and
- (4) A description of the applicant’s abstracting experience.

c. Exemption. The exemption available pursuant to Iowa Code section 16.91(5)“a”(2) is unique to the participating attorney, is nontransferable, and terminates at such time as the participating attorney ceases providing abstracts for division purposes or upon the death or incapacity of the participating attorney.

d. Title plant waivers. The division recognizes the 40-year title plant as the preferred method of providing title evidence for the purpose of issuing commitments and certificates. The division must weigh the benefits of the traditional title plant with other alternatives to ensure buyers and lenders a high quality of certificates throughout the state, rapid service, and a competitive price.

(1) General provisions. The division shall consider an application for a title plant waiver upon submission by an attorney or an abstractor.

(2) Submission of application. The division shall accept applications in the same manner as provided in subrule 9.5(2).

(3) Content of application. The applicant must provide, at a minimum, the following information:

1. The name, business address, email address, and telephone number of the applicant;
2. The applicant’s business plan;
3. The county or counties in which the applicant intends to abstract;
4. A description of the applicant’s abstracting experience;
5. Samples of abstracts prepared by the applicant;
6. A history of any professional disciplinary action against the applicant;
7. Professional references in support of the applicant;
8. The relevant facts that the applicant believes would justify a waiver under Iowa Code section 16.91(5)“b”; and

9. A signed statement from the applicant attesting to the accuracy of the facts provided in the application.

(4) Notification and response.

1. The division shall notify the applicant upon receipt of a complete application.

2. The Iowa State Bar Association and Iowa Land Title Association shall be provided notice of an application. Provision of the notice to the identified associations is not a requirement for the division to consider the application, and failure to inform an interested person of an application shall not void or otherwise nullify any action or decision of the division.

(5) Conditions. A waiver is unique to the recipient and is nontransferable. The division may limit a waiver as to county, transaction type, duration, or any other limitation. The division may require a waiver

recipient to provide a guarantee, performance bond, or other form of indemnification as assurance for abstracts prepared by the waiver recipient on behalf of the division. The division may review the waiver annually and may require a renewal, modification or addition to any required assurances. An applicant may only retain a waiver if the applicant continues to meet the requirements for a participant in rule 265—9.5(16). If the waiver recipient fails to meet the terms of the recipient's participation agreement, the waiver may be withdrawn by the division.

(6) **Withdrawal of a waiver.** A waiver issued by the division may be withdrawn or modified if, after public notice and authority board meeting, the authority board issues a written ruling finding any of the following:

1. That the waiver recipient knowingly withheld or misrepresented material facts relied upon by the division in granting the waiver; or
2. That the waiver recipient failed to comply with all conditions contained in the written ruling; or
3. That the abstracts prepared by the waiver recipient fail to meet the abstract minimum standards adopted by the division; or
4. That the division has revoked the waiver recipient's authorization to provide services on behalf of the division pursuant to subrule 9.5(13).

(7) The decision of the authority board shall be final agency action, and all appeals shall be filed with the Iowa district court for Polk County.

9.6(2) *Issuing title opinions.*

a. All title opinions shall be prepared by participating attorneys and issued in compliance with division procedures as specified in manuals and any other written instructions given by the division.

c. A participating attorney shall be licensed to practice law in the state of Iowa and shall be in good standing with the Iowa supreme court at all times while acting as an agent of the division.

9.6(3) *Issuing commitments and certificates.* Pursuant to a participation agreement with the division, a participant may be authorized to issue a commitment or certificate on behalf of the division. A participant's right to issue commitments and certificates is a privilege for the convenience of the division and may be terminated pursuant to terms of the participation agreement.

9.6(4) *Issuing closing protection letters.*

a. Pursuant to a participation agreement with the division, a participant may be authorized to issue a closing protection letter on behalf of the division.

b. The division may require the participating closer to provide an irrevocable letter of direction to the institution at which each escrow account is established, authorizing the division to review and audit the institution's records of such account at any time that the division, in its discretion, deems necessary.
