

661—235.12(101A,272D) Suspension or revocation for nonpayment of debts owed state or local government. The following procedures shall apply to actions taken by the state fire marshal on a certificate of noncompliance received from the Iowa department of revenue pursuant to Iowa Code chapter 272D.

235.12(1) The notice required by Iowa Code section 272D.3 shall be served upon the licensee by regular mail.

235.12(2) The effective date of revocation or suspension of a license, as specified in the notice required by Iowa Code section 272D.3, shall be 20 days following service of the notice upon the licensee.

235.12(3) Licensees shall keep the state fire marshal informed of all court actions and centralized collection unit actions taken under or in connection with Iowa Code chapter 272D and shall provide the state fire marshal with copies, within seven days of filing or issuance, of all applications filed with the district court pursuant to Iowa Code section 272D.9, all court orders entered in such actions, and withdrawals of certificates of noncompliance by the centralized collection unit.

235.12(4) All applicable fees for an application or reinstatement must be paid by the licensee before a license will be issued, renewed, or reinstated after the state fire marshal has denied the issuance or renewal of a license or has suspended or revoked a license pursuant to Iowa Code chapter 272D.

235.12(5) In the event the licensee files a timely district court action following service of a notice pursuant to Iowa Code section 272D.8, the state fire marshal shall continue with the intended action described in the notice upon the receipt of a court order lifting the stay, dismissing the action, or otherwise directing the state fire marshal to proceed. For the purpose of determining the effective date of revocation or suspension of the license, the state fire marshal shall count the number of days before the action was filed and the number of days after the action was disposed of by the court.

235.12(6) Suspensions or revocations imposed pursuant to this rule may not be appealed administratively to the state fire marshal or within the department of public safety.

NOTE: The procedures established in this rule implement the requirements of Iowa Code chapter 272D. The provisions of Iowa Code chapter 272D establish mandatory requirements for an agency which administers a licensing program and provide that actions brought under these provisions are not subject to contested case procedures established in Iowa Code chapter 17A, but must be appealed directly to district court.
