

661—275.4(100C) License requirements. A fire extinguishing system contractor shall meet all of the following requirements in order to receive licensure from the state fire marshal and shall continue to meet all requirements throughout the period of licensure. The contractor shall notify the state fire marshal, in writing, as specified in subrule 275.1(4), within 30 calendar days if the contractor fails to meet any requirement for licensure.

275.4(1) The contractor shall designate one or more responsible managing employees as provided in rule 661—275.3(100C).

275.4(2) The contractor shall maintain general and complete operations liability insurance for the layout, installation, repair, alteration, addition, maintenance, and inspection of automatic fire extinguishing systems in the following amounts: \$500,000 per person, \$1,000,000 per occurrence, and \$1,000,000 property damage.

a. The carrier of any insurance coverage maintained to meet this requirement shall notify the state fire marshal 30 days prior to the effective date of cancellation or reduction of the coverage.

b. The contractor shall cease operation immediately if the insurance coverage required by this subrule is no longer in force and other insurance coverage meeting the requirements of this subrule is not in force. A contractor shall not initiate any installation of a fire extinguishing system which cannot reasonably be expected to be completed prior to the effective date of the cancellation of the insurance coverage required by this subrule and of which the contractor has received notice, unless new insurance coverage meeting the requirements of this subrule has been obtained and will be in force upon cancellation of the prior coverage.

275.4(3) The contractor shall maintain current registration as a contractor with the labor services division of the Iowa workforce development department in compliance with Iowa Code chapter 91C and 875—Chapter 150, Iowa Administrative Code. The contractor shall provide a copy of the contractor's current registration from the Iowa workforce development department with the contractor's application for licensure.

EXCEPTION: A contractor shall not be required to maintain registration with the labor services division of the Iowa workforce development department if the contractor does not meet the definition of "contractor" for purposes of Iowa Code chapter 91C and 875—Chapter 150, Iowa Administrative Code. Written documentation of such exemption must be provided to the state fire marshal at the time of application for licensure as a fire protection system contractor.

275.4(4) The contractor shall maintain compliance with all other applicable provisions of law related to operation in the state of Iowa and of any political subdivision in which the contractor is performing work.

275.4(5) A license may be renewed only if the licensee has completed recertification of the applicable requirements relative to the endorsements for which the licensee is renewing.
