145A.3 Official planning — maximum levy.

The officials of a political subdivision may plan the formation of a public corporation as a merged area to establish and operate an area hospital. In planning for an area hospital, a county board of supervisors may exclude from the merged area any township of the county which the board of supervisors determines would not sufficiently benefit by the merger and the portion of the county not so excluded shall constitute one public corporation for the purposes of [this chapter](#). Plans for an area hospital shall include the maximum amount to be levied for debt service and operation and maintenance of the area hospital in the portion of the merged area within each political subdivision taking part in the merger. However, the maximum tax rates for the various political subdivisions may vary as the officials determine, based upon the need for hospital service of the residents of each political subdivision, the proximity of the residents to the proposed location of the hospital, the property values within the subdivision, and the expected service benefits to the residents of each subdivision by the proposed area hospital.

[85 Acts, ch 123, §3](#)

Referred to in [§145A.21](#), [347A.3](#)

145A.4 Plans.

Officials of the various subdivisions may expend public funds for the purpose of formulating plans and in carrying out plans for a merged area and may arrive at an equitable distribution of costs to be paid by each participating political subdivision.

Referred to in [§145A.21](#), [347A.3](#)

145A.5 Order of approval.

When a plan is approved, the officials approving the plan shall jointly issue an order of approval. The order shall specify the area to be merged, the maximum rate of tax to be levied for debt service and operation and maintenance of the proposed area hospital in the portion of the merged area within each political subdivision, the proposed location of the hospital building, the estimated cost of the establishment of the hospital, and any other details concerning the establishment and operation of the hospital the officials deem pertinent. The order shall be published in one or more newspapers which have general circulation within the merged area once each week for three consecutive weeks, but the newspapers selected need not be published in the merged area. The published order shall contain a notice to the residents of each subdivision of the proposed merged area that if the residents fail to protest as provided in [this chapter](#), the order shall be deemed approved upon the expiration of a sixty-day period following the date of the last published notice.

145A.6 Petition of protest.

The plans formulated for the area hospital shall be deemed approved unless, within sixty days after the third and final publication of the order, a petition protesting the proposed plan containing the signatures of at least five percent of the registered voters of any political subdivision within the proposed merged area is filed with the respective officials of the protesting petitioners.

145A.7 Special election.

When a protesting petition is received, the officials receiving the petition shall call a special election of all registered voters of that political subdivision upon the question of approving or rejecting the order setting out the proposed merger plan. The election shall be held on a date specified in [section 39.2, subsection 4](#), paragraph “a” or “b”, as applicable. The vote will be taken by ballot in the form provided by [sections 49.43 through 49.47](#), and the election shall be initiated and held as provided in [chapter 49](#). A majority vote of those registered voters voting at the special election shall be sufficient to approve the order and thus include the political subdivision within the merged area.

145A.8 Effect on other subdivisions.

A protest petition filed in one political subdivision shall have no effect upon the other political subdivisions of the proposed merged area; and in the portion of the proposed area where no protest petition is filed within sixty days after the last published notice, the residents of that portion of the area shall be deemed to have approved the proposed plan, and shall not take part in any special election.

Upon acceptance of a plan, the officials of the merged area acting as a committee of the whole shall appoint a board of hospital trustees. The board of trustees shall then meet, elect a chairperson and adopt such rules for the organization of the board as may be necessary. The number and composition of the board shall be determined by the committee appointing the board; but as a matter of public policy the committee is directed to apportion the board into area districts in such a way that the residents of all of the merged area will be represented as nearly equally as possible on the board.

[C71, 73, 75, 77, 79, 81, §145A.10]

145A.11 Terms of members.

The terms of members of the board shall be four years, except that members of the initial board shall determine their respective terms by lot so that the terms of one-half of the members, as nearly as may be, shall expire at the next general election. The remaining initial terms shall expire at the following general election. The successors of the initial board shall be chosen from area districts at regular elections, and shall be nominated and elected in the same manner as county hospital trustees as provided in [section 347.25](#), except that nomination papers on behalf of a candidate shall be signed by not less than twenty-five eligible electors from the area district.

The board shall prepare an annual budget designating the proposed expenditures for operation of the area hospital and payment of bonded indebtedness, and the amount to be raised by taxation, following the requirements of [chapter 24](#). The board shall prorate the amount to be raised for operations by local taxation among the respective political subdivisions forming a part of the merged area in the proportion that the product of the value of taxable property and the maximum tax levy rate in each political subdivision bears to the total product of the value of taxable property and the maximum tax levy rate in the entire merged area, as set out in the published order of merger. The board of hospital trustees shall

certify the amount so determined to the respective levying officials of the affected counties, and the officials shall levy a tax sufficient to raise the annual budget. Such a tax shall not exceed one-fourth of the maximum levy of each political subdivision as set out in the published order of merger, but the total tax levy for annual budget, bonds, and special purposes shall not exceed the maximum levy as proposed in the published order of merger.
