322A.2 Discontinuing franchise.

1. Unless otherwise provided in subsection 2, notwithstanding the terms, provisions, or conditions of any agreement or franchise, a franchiser shall not terminate or refuse to continue any franchise unless the franchiser has first established, in a hearing held under the provisions of this chapter, that both of the following apply:

a. The franchiser has good cause for termination or noncontinuance.

b. Upon termination or noncontinuance, another franchise in the same line-make will become effective in the same community, without diminution of the motor vehicle service formerly provided, or that the community cannot be reasonably expected to support such a dealership.

2. A franchiser may terminate a franchise for a particular line-make if the franchiser discontinues that line-make and a franchiser may terminate a franchise if the franchisee's license as a motor vehicle dealer is revoked pursuant to the provisions of chapter 322.

[T] Section amended

322A.3 New franchise.

In the event that a franchiser is permitted to terminate or not continue a franchise, and is further permitted not to enter into a franchise for the line-make in the community, no franchise shall thereafter be entered into for the sale of motor vehicles of that line-make in the community, unless the franchiser has first established, in a hearing held under the provisions of this chapter, that there has been a change of circumstances so that the community at that time can be reasonably expected to support the dealership.

[C71, 73, 75, 77, 79, 81, §322A.3]

322A.4 Additional franchise.

No franchiser shall enter into any franchise for the purpose of establishing an additional motor vehicle dealership in any community in which the same line-make is then represented, unless the franchiser has first established in a hearing held under the provisions of this chapter that there is good cause for such additional motor vehicle dealership under such franchise, and that it is in the public interest.

[C71, 73, 75, 77, 79, 81, §322A.4]

322A.5 Warranties.

Every franchiser and franchisee shall fulfill the terms of any express or implied warranty concerning the sale of a motor vehicle to the public of the line-make which is the subject of a contract or franchise agreement between the parties. If it is determined by the district court that either the franchiser or franchisee, or both, have violated an express or implied warranty, the court shall add to any award or relief granted an additional award for reasonable attorney fees and other necessary expenses for maintaining the litigation.

[C71, 73, 75, 77, 79, 81, §322A.5]

322A.6 Application filed with the department.

If a franchiser seeks to terminate or not continue a franchise, or seeks to enter into a franchise establishing an additional motor vehicle dealership of the same line-make, the franchiser shall file an application with the department for permission to terminate or not continue the franchise, or for permission to enter into a franchise for additional representation of the same line-make in that community.

An applicant seeking permission to enter into a franchise for additional representation

of the same line-make in a community shall deposit with the department at the time the application is filed, an amount of money to be determined by the department of inspections and appeals to pay the costs of the hearing.

322A.7 Department of inspections and appeals to hold hearing.

Upon receiving an application, the department shall notify the department of inspections and appeals which shall enter an order fixing a time, which shall be within ninety days of the date of the order, and place of hearing, and shall send by certified or registered mail, with return receipt requested, a copy of the order to the franchisee whose franchise the franchiser seeks to terminate or not continue. If the application requests permission to establish an additional motor vehicle dealership, a copy of the order shall be sent to all franchisees in the community who are then engaged in the business of offering to sell or selling the same line-make. Copies of orders shall be addressed to the franchisee at the place where the business is conducted. The department of inspections and appeals may also give notice of the franchiser's application to any other parties deemed interested persons, the notice to be in the form and substance and given in the manner the department of inspections and appeals deems appropriate.

Any person who can show an interest in the application may become a party to the hearing, whether or not that person receives notice. However, a party not receiving notice shall be limited to participation at the hearing on the question of the public interest in the termination or continuation of the franchise or in the establishment of an additional motor vehicle dealership.

322A.8 Continuation.

If the department of inspections and appeals finds it desirable it may upon request continue the date of hearing for a period of ninety days, and may upon application, but not ex parte, continue the date of hearing for an additional period of ninety days.

[C71, 73, 75, 77, 79, 81, §322A.8; 81 Acts, ch 22, §22]

322A.9 Burden of proof.

Upon hearing, the franchiser shall have the burden of proof to establish that under the provisions of this chapter the franchiser should be granted permission to terminate or not continue the franchise, or to enter into a franchise establishing an additional motor vehicle dealership.

Nothing contained in this chapter shall be construed to require or authorize any investigation by the department of any matter before the department under this chapter. Upon hearing, the department of inspections and appeals shall hear the evidence introduced by the parties and shall make its decision solely upon the record so made.

[C71, 73, 75, 77, 79, 81, §322A.9; 81 Acts, ch 22, §22]

322A.10 Rules of evidence.

The rules of civil procedure relating to discovery and inspection shall apply to hearings held under the provisions of this chapter, and the department of inspections and appeals may issue orders to give effect to such rules.

In the event issues are raised which would involve violations of any state or federal antitrust or price-fixing law, all discovery and inspection proceedings which would be available under such issues in a state or federal court action shall be available to the parties to the hearing, and the department of inspections and appeals may issue orders to give effect to such proceedings.

Evidence which would be admissible under the issues in a state or federal court action is admissible in a hearing held by the department of inspections and appeals. The department of inspections and appeals shall apportion all costs between the parties.

[C71, 73, 75, 77, 79, 81, §322A.10; 81 Acts, ch 22, §22]

322A.11 Condition barring change in franchise.

Notwithstanding the terms, provisions, or conditions of any agreement or franchise, the following shall not be considered facts supporting a finding of good cause for the termination or noncontinuation of a franchise, or for entering into a franchise for the establishment of an additional dealership in a community for the same line-make:

1. The sole fact that franchiser desires further penetration of the market.
2. The change of ownership of the franchisee's dealership or the change of executive management of the franchisee's dealership, unless the franchiser, having the burden of proof, proves that such change of ownership or executive management will be substantially detrimental to the distribution of the franchiser's motor vehicles in the community and that good cause for the termination or noncontinuation of the franchise or for the establishment of an additional dealership otherwise exists.
3. The fact that the franchisee refused to purchase or accept delivery of any motor vehicle or vehicles, parts, accessories or any other commodity or service not ordered by the franchisee.
4. The fact that the dealership moved to another facility and location within the dealership's community which are equal to or superior to the dealership's former location and facility or the fact that the dealership added an additional line-make to the dealership if the dealership's facility is adequate to accommodate the additional line-make.
5. The fact that the dealership does not meet an index or standard established by the franchiser, unless the franchiser proves that the failure of the dealership to meet the index or standard will be substantially detrimental to the distribution of the franchiser's motor vehicles in the community and that good cause for the termination or noncontinuation of the franchise or for the establishment of an additional dealership otherwise exists.

322A.12 Sale or transfer of ownership.

1. Notwithstanding the terms, provisions, or conditions of an agreement or franchise, subject to the provisions of section 322A.11, subsection 2, in the event of the sale or transfer of ownership of a franchisee's dealership by sale or transfer of the business or by stock transfer or in the event of a change in the executive management of a franchisee's dealership, the franchiser shall give effect to the change in the franchise unless the transfer of the franchisee's license under chapter 322 is denied or the new owner is unable to obtain a license under that chapter.

2. Notwithstanding the terms, provisions, or conditions of an agreement or franchise, the sale or transfer, or the proposed sale or transfer, of a franchisee's dealership, or the change or proposed change in the executive management of a franchisee's dealership shall not make applicable any right of first refusal of the franchiser.

chapter 322 shall be issued to that franchisee or proposed franchisee to engage in the business of selling motor vehicles manufactured or distributed by that franchiser.
