### **239B.2 Conditions of eligibility.**

Within available funding, the department shall make assistance available to eligible families under the family investment program. At a minimum, a family shall meet all of the following conditions of eligibility:

1. *Application.* An application for the program is made to the department. The application shall be in writing or reduced to writing in the manner and upon the form prescribed by the department. The application shall be made by the specified relative with whom the child resides or will reside, and shall contain the information required on the application form. One application may be made for several children of the same family if the children reside or will reside with the same specified relative.

2. *Income and resources.* The family meets income and resource guidelines established by the department to attain or retain financial eligibility. In determining a family's income and resources, the department shall consider the income and resources of the child, the child's parent, the child's stepparent living with the child, or any other specified relative with whom the child resides or will reside available to the family unless specifically exempted as provided in [section 239B.7](#) or by rule or unless otherwise provided by federal law. A family's failure to meet the income or resource guidelines shall result in denial of the family's eligibility for the program.

3. *Unemployment.*

a. A determination of eligibility for a family with an unemployed parent shall not include consideration of either parent's number of hours of employment. Both parents must enter into and participate in a family investment agreement and participate in JOBS program activities unless good cause not to participate is established in accordance with rules.

b. Any of the following reasons for refusing employment or training are not good cause:

(1) Unsuitable or unpleasant work or training, if the parent is able to perform the work or training without unusual danger to the parent's health.

(2) The amount of wages or compensation, unless the wages for employment are below the amount customary for the same work in the community.

4. *Written statement — family investment agreement.*

a. The department may require an applicant family to commit to the initial actions the applicant family will take to achieve self-sufficiency as contained in a signed, written statement. An applicant family which fails to commit to the actions as contained in the written statement shall be denied eligibility for the family investment program. If the applicant family becomes a participant family, the family's written statement may be replaced by, incorporated within, or become the family investment agreement for that family.

b. Unless exempt as provided in [section 239B.8](#), a participant family which is eligible for the program shall continue to comply with the provisions of a written statement which

contains actions committed to by the family under paragraph “a” or shall enter into a family investment agreement with the department. A participant family must comply with the provisions of the written statement or the conditions in the agreement in order to retain eligibility. A participant family which does not comply shall be deemed to have chosen a limited benefit plan.

5. *Provision of information.* The family provides requested information to the department. The department shall adopt rules specifying the conditions under which an applicant or participant family is denied eligibility for family investment program assistance for failure to provide requested information.

6. *Cooperation with child support requirements.* The department shall provide for prompt notification of child support services if assistance is provided to a child whose parent is absent from the home. An applicant or participant shall cooperate with child support services and the department as provided in 42 U.S.C. §608(a)(2) unless the applicant or participant qualifies for good cause or other exception as determined by the department in accordance with the best interest of the child, parent, or specified relative, and with standards prescribed by rule. The authorized good cause or other exceptions shall include participation in a family investment agreement safety plan option to address or prevent family or domestic violence and other consideration given to the presence of family or domestic violence. If a specified relative with whom a child is residing fails to comply with these cooperation requirements, a sanction shall be imposed as defined by rule in accordance with state and federal law.

7. *Periodic reviews.* As a condition of eligibility, the department may require periodic reports from a participant concerning the participant’s income, resources, family composition, and other circumstances. If the participant’s circumstances change, the participant’s assistance may be continued, renewed, suspended, changed in amount, or entirely withdrawn, as determined in accordance with rule.

8. *Out-of-state assistance.* Assistance shall be paid to a participant residing temporarily out-of-state if the participant retains residency in this state and remains otherwise eligible for assistance. The department shall periodically redetermine the eligibility of a participant who is temporarily residing out-of-state.

2. An assignment takes effect upon determination that an applicant or another person covered by an application is eligible for assistance under [this chapter](#), applies to both current and accruing support obligations, and terminates when an applicant or another person covered by an application ceases to receive assistance under [this chapter](#), except with respect to the amount of unpaid support obligations accrued during the assignment. A limited benefit plan shall either be a first limited benefit plan or a subsequent limited benefit plan. A limited benefit plan shall be applied as follows:

(1) A first limited benefit plan shall provide for continuing ineligibility for assistance until the individual participant completes significant contact with or action in regard to the JOBS program.

(2) A limited benefit plan subsequent to a first limited benefit plan chosen by the same individual participant shall provide for a specified period of ineligibility of six months or less beginning with the effective date of the limited benefit plan and continuing indefinitely following the specified period until the individual participant completes significant contact with or action in regard to the JOBS program. The department shall adopt rules defining the circumstances for which a particular period of ineligibility will be specified.

(3) For a two-parent family in which both parents are responsible for a family investment agreement, a first or subsequent limited benefit plan shall remain applicable until both parents complete significant contact with or action in regard to the JOBS program. A limited benefit plan applied more than once to the same two-parent family shall be treated as a subsequent limited benefit plan.

2. *Plan applied.* The department shall apply the limited benefit plan to the participants responsible for the family investment agreement and other members of the participant's family as follows:

a. *Parent.* If the participant responsible for the family investment agreement is a parent, the limited benefit plan is applicable to the entire participant family.

b. *Needy relative or incapacitated stepparent.* If the participant choosing a limited benefit plan is a needy relative who acts as payee when the parent is in the home but is unable to act as payee, is a needy relative who assumes the role of parent, or is a dependent child's stepparent whose needs are included in the assistance because of incapacity, the limited benefit plan shall apply only to the individual participant choosing the plan.

c. *Minor parent living with adult parent or specified relative.* If the participant family includes a minor parent living with the minor parent's adult parent or specified relative who receives family investment program assistance and both individuals are responsible for developing a family investment agreement, each individual is responsible for a separate family investment agreement, and the limited benefit plan shall be applied as follows:

(1) If the adult parent chooses the limited benefit plan, the requirements of the limited benefit plan shall apply to the entire participant family, even though the minor parent has not chosen the limited benefit plan. However, the minor parent may reapply for assistance as a minor parent living with self-supporting parents or living independently and continue in the family investment agreement process.

(2) If the minor parent chooses the limited benefit plan, the requirements of the limited benefit plan shall apply to the minor parent and any child of the minor parent.

(3) If the specified relative chooses the limited benefit plan, the requirements of the limited benefit plan shall apply only to the specified relative.

d. *Minor parent — only child.* If the minor parent is the only child in the adult parent's or specified relative's home and the minor parent chooses the limited benefit plan, assistance shall not be paid to the adult parent or specified relative in this instance.

e. *Children who are mandatory JOBS program participants.* If the participant family includes children who are mandatory JOBS program participants, the children shall not have

a separate family investment agreement but shall be asked to sign the family investment agreement applicable to the family and to carry out the responsibilities of that family investment agreement. A limited benefit plan shall be applied as follows:

(1) If the parent or specified relative responsible for a family investment agreement meets the responsibilities of the family investment agreement but a child who is a mandatory JOBS program participant chooses an individual limited benefit plan, the family is eligible for reduced assistance during the child's limited benefit plan.

(2) If the child who chooses a limited benefit plan under subparagraph (1) is the only child in the participant family, assistance shall not be paid to the adult parent, parents, or specified relative in this instance.

*f. Exempt parent.* If a participant family includes a parent, parents, or specified relative who are exempt from JOBS program participation and children who are mandatory JOBS program participants, the children are responsible for completing a family investment agreement. If a child who is a mandatory JOBS program participant chooses the limited benefit plan, the limited benefit plan shall be applied in the manner provided in paragraph "e".

*g. Two parents.* If the participant family includes two parents, a limited benefit plan shall be applied as follows:

(1) If only one parent of a child in the family is responsible for a family investment agreement and that parent chooses the limited benefit plan, the limited benefit plan cannot be ended by the voluntary participation in a family investment agreement by the exempt parent. If the parent responsible for the family investment agreement chooses a limited benefit plan, the limited benefit plan applies to the entire family.

(2) If both parents of a child in the family are responsible for a family investment agreement, both parents shall sign the agreement. If either parent chooses the limited benefit plan, the limited benefit plan cannot be ended by the participation of the other parent in a family investment agreement.

(3) If the parents from a two-parent family in a limited benefit plan separate, the limited benefit plan shall follow only the parent who chose the limited benefit plan and any children in the home of that parent.

3. *Plan chosen.* A participant shall be considered to have chosen a limited benefit plan under any of the following circumstances:

*a.* A participant who does not establish an orientation appointment with the JOBS program or who fails to keep or reschedule an orientation appointment shall receive a reminder letter which informs the participant that those who do not attend orientation have elected to choose a limited benefit plan. A participant who chooses not to respond to the reminder letter within ten calendar days from the mailing date shall receive notice establishing the effective date of the limited benefit plan. If a participant is deemed to have chosen a limited benefit plan, timely and adequate notice provisions, as determined by the director, shall apply.

*b.* A participant who chooses not to sign the family investment agreement after attending a JOBS program orientation shall enter into a limited benefit plan as described in paragraph "a".

*c.* A participant who has signed a family investment agreement but then chooses a limited benefit plan under circumstances defined by the director.

4. *Reconsideration.* A participant who chooses a limited benefit plan may reconsider that choice as follows:

*a.* A participant who chooses a first limited benefit plan may reconsider at any time following the effective date of the limited benefit plan. The participant may contact the department or the appropriate JOBS program office any time to begin the reconsideration process.

*b.* A participant who chooses a subsequent limited benefit plan may reconsider that choice at any time following the period of ineligibility specified in accordance with [subsection 1](#).

5. *Well-being visit.* If a participant has chosen a subsequent limited benefit plan, the department may conduct a well-being visit or contract for a well-being visit to be conducted, provided funding is available for the costs of such visits. A well-being visit shall meet all of the following criteria:

a. A qualified professional shall attempt to visit with the participant family with a focus upon the children's well-being.

b. The visit shall be conducted during or within four weeks of the second month of the start of the subsequent limited benefit plan.

c. The visit shall serve as an extension of the family investment program and the family investment agreement philosophy of supporting families as they move toward self-sufficiency.

6. *Appeal.* A participant has the right to appeal the establishment of the limited benefit plan only once, at the time the department issues the timely and adequate notice that establishes the limited benefit plan. However, if the reason for the appeal is based on an incorrect grant computation, an error in determining the composition of the family, or another worker error, a hearing shall be granted, regardless of the person's limited benefit plan status.
