570A.2 Financial institution memorandum to agricultural supply dealers.

1. Upon the receipt of a certified request of an agricultural supply dealer, prior to or upon a sale on a credit basis of an agricultural supply to a farmer, a financial institution which has either a security interest in collateral owned by the farmer or an outstanding loan to the farmer for an agricultural purpose shall issue within four business days a memorandum which states whether or not the farmer has a sufficient net worth or line of credit to assure payment of the purchase price on the terms of the sale. The certified request submitted by the agricultural supply dealer shall state the amount of the purchase and the terms of sale and shall be accompanied by a waiver of confidentiality signed by the farmer, and a fifteen dollar fee. The waiver of confidentiality and the certified request may be combined and submitted as one document. If the financial institution states in its memorandum that the farmer has a sufficient net worth or line of credit to assure payment of the purchase price, the memorandum is an irrevocable and unconditional letter of credit to the benefit of the agricultural supply dealer for a period of thirty days following the date on which the final payment is due for the amount of the purchase price which remains unpaid. If the financial institution does not state in its memorandum that the farmer has a sufficient net worth or line of credit to assure payment of the purchase price, the financial institution shall transmit the relevant financial history which it holds on the person. This financial history shall remain confidential between the financial institution, the agricultural supply dealer, and the farmer.

2. If within four business days of receipt of a certified request a financial institution fails to issue a memorandum upon the request of an agricultural supply dealer and the request from the agricultural supply dealer was proper under [subsection 1](#), or if the memorandum from the financial institution is incomplete, or if the memorandum from the financial institution states that the farmer does not have a sufficient net worth or line of credit to assure payment of the purchase price, the agricultural supply dealer may decide to make the sale and secure the lien provided in [section 570A.3](#).

3. Upon an action to enforce a lien secured under [section 570A.3](#) against the interest of a financial institution secured to the same collateral as that of the lien, it shall be an affirmative defense to a financial institution and complete proof of the superior priority of the financial institution's lien that the financial institution either did not receive a certified request and a waiver signed by the farmer, or received the request and a waiver signed by the farmer and provided the full and complete relevant financial history which it held on the farmer making the purchase from the agricultural supply dealer on which the lien is based and that financial history reasonably indicated that the farmer did not have a sufficient net worth or line of credit to assure payment of the purchase price.

570A.3 Lien created.

An agricultural supply dealer who provides an agricultural supply to a farmer shall have an agricultural lien as provided in [section 554.9102](#). The agricultural supply dealer is a secured party and the farmer is a debtor for purposes of [chapter 554, article 9](#). The amount of the lien shall be the amount owed to the agricultural supply dealer for the retail cost of the agricultural supply, including labor provided. The lien applies to all of the following:

1. Crops which are produced upon the land to which the agricultural chemical was applied, produced from the seed provided, or produced using the petroleum product provided. The lien shall not apply to any crops so produced upon the land after four hundred ninety days from the date that the farmer purchased the agricultural supply.

2. Livestock consuming the feed. However, the lien does not apply to that portion of the livestock of a farmer who has paid all amounts due from the farmer for the retail cost, including labor, of the feed.

570A.4 Perfecting the lien — filing requirements.

Except as provided in [this section](#), a financing statement filed to perfect an agricultural supply dealer lien shall be governed by [chapter 554, article 9, part 5](#), in the same manner as any other financing statement.

1. The lien becomes effective at the time that the farmer purchases the agricultural supply.

2. In order to perfect the lien, the agricultural supply dealer must file a financing statement in the office of the secretary of state as provided in [section 554.9308](#) within thirty-one days after the date that the farmer purchases the agricultural supply. The financing statement shall meet the requirements of [section 554.9502, subsection 1](#), and include all applicable information described in [section 554.9516](#). Filing a financing statement as provided in [this subsection](#) satisfies all requirements for perfection of an agricultural lien as provided in [chapter 554, article 9](#).

570A.5 Priority of lien.

Except as provided in [this section](#), an agricultural supply dealer lien that is effective or perfected as provided in [section 570A.4](#) shall be subject to the rules of priority as provided in [section 554.9322](#). For an agricultural supply dealer lien that is perfected under [section 570A.4](#), all of the following shall apply:

1. The lien shall have priority over a lien or security interest that applies subsequent to the time that the agricultural supply dealer lien is perfected.

2. Except as provided in [section 570A.2, subsection 3](#), the lien shall have equal priority to a lien or security interest which is perfected prior to the time that the agricultural supply dealer lien is perfected. However, a landlord's lien that is perfected pursuant to [section 570.1](#) shall have priority over a conflicting agricultural supply dealer lien as provided in [section 570.1](#), and a harvester's lien that is perfected pursuant to [section 571.3](#) shall have priority over a conflicting agricultural supply dealer lien as provided in [section 571.3A](#).

3. A lien in livestock feed shall have priority over an earlier perfected lien or security interest to the extent of the difference between the acquisition price of the livestock and the fair market value of the livestock at the time the lien attaches or the sale price of the livestock, whichever is greater.
