

15E.305 Endow Iowa tax credit.

1. For tax years beginning on or after January 1, 2003, a tax credit shall be allowed against the taxes imposed in [chapter 422, subchapters II, III, and V](#), and in [chapter 432](#), and against the moneys and credits tax imposed in [section 533.329](#) equal to twenty-five percent of a taxpayer's endowment gift to an endow Iowa qualified community foundation. An individual may claim a tax credit under [this section](#) of a partnership, limited liability company, S corporation, estate, or trust electing to have income taxed directly to the individual. The amount claimed by the individual shall be based upon the pro rata share of the individual's earnings from the partnership, limited liability company, S corporation, estate, or trust. A tax credit shall be allowed only for an endowment gift made to an endow Iowa qualified community foundation for a permanent endowment fund established to benefit a charitable cause in this state. The amount of the endowment gift for which the tax credit is claimed shall not be deductible in determining taxable income for state income tax purposes. Any tax credit in excess of the taxpayer's tax liability for the tax year may be credited to the tax liability for the following five years or until depleted, whichever occurs first. A tax credit shall not be carried back to a tax year prior to the tax year in which the taxpayer claims the tax credit.

2. The aggregate amount of tax credits authorized pursuant to [this section](#) shall not exceed a total of six million dollars annually.

a. The maximum amount of tax credits granted to a taxpayer shall not exceed one hundred thousand dollars.

b. Ten percent of the aggregate amount of tax credits authorized in a calendar year shall be reserved for those endowment gifts in amounts of thirty thousand dollars or less. If by September 1 of a calendar year the entire ten percent of the reserved tax credits is not distributed, the remaining tax credits shall be available to any other eligible applicants.

3. A tax credit shall not be transferable to any other taxpayer.

4. The authority shall develop a system for registration and authorization of tax credits under [this section](#) and shall control the distribution of all tax credits to taxpayers providing an endowment gift subject to [this section](#). The authority shall adopt administrative rules pursuant to [chapter 17A](#) for the qualification and administration of endowment gifts.
