

249J.4 Purpose.

It is the purpose of this chapter to propose a variety of initiatives to increase the efficiency, quality, and effectiveness of the health care system; to increase access to appropriate health care; to provide incentives to consumers to engage in responsible health care utilization and personal health care management; to reward providers based on quality of care and improved service delivery; and to encourage the utilization of information technology, to the greatest extent possible, to reduce fragmentation and increase coordination of care and quality outcomes.
