

456A.20 Limitation on nursery stock — exception.

1. Moneys appropriated to the department which are used in growing or handling nursery stock shall be used for growing or handling of the nursery stock for distribution only on state-owned lands. However, the department may do any of the following:

- a. Produce and sell game cover packets and trees for erosion control at private sale.
- b. Produce trees for a demonstration windbreak in each township in the state.
- c. Dispose of growing trees under a departmental plan of distribution.

2. The department shall deposit a portion of the moneys that it receives from selling trees and shrubs as provided in [this section](#) to the forestry management and enhancement fund as created in [section 456A.21](#). The amount deposited in the fund shall equal five cents for each coniferous tree and ten cents for each hardwood tree and shrub sold.
