NEWS RELEASE

Contact: Brian Brustkern
515/281-5834

FOR RELEASE

July 31, 2025

Auditor of State Rob Sand today released an audit report on the Iowa Egg Council for the years ended June 30, 2024 and 2023.

The Iowa Egg Council is responsible for promoting market development for eggs, advancing public relations for the egg industry, and administering the assessment on eggs produced in Iowa imposed in Iowa Code Chapter 184.

FINANCIAL HIGHLIGHTS:

The Council had revenues of \$1,055,379 and expenses of \$1,013,361 for the year ended June 30, 2024. This represents a 4.7% increase in revenues and a 1.9% increase in expenses from the year ended June 30, 2023. Revenues are subject to market forces and production and will fluctuate from year to year while the increase in expenditures is based on council action due to priorities and goals.

AUDIT FINDINGS:

Consistent with the prior year, Sand reported no findings pertaining to the Iowa Egg Council.

A copy of the audit report is available for review on the Auditor of State's website at [Audit Reports – Auditor of State](#).

Urbandale, Iowa

To the members of the Iowa Egg Council:

I am pleased to submit to you the financial and compliance audit report for the Iowa Egg Council for the years ended June 30, 2024 and 2023. The audit was performed pursuant to Chapter 184.14 of the Code of Iowa and in accordance with U.S. auditing standards and the standards applicable to financial audits contained in Government Auditing Standards.

I appreciate the cooperation and courtesy extended by the officials and employees of the Iowa Egg Council throughout the audit. If I or this office can be of any further assistance, please contact me or my staff at 515-281-5834.

Sincerely,

A handwritten signature in black ink that reads "Rob Sand". The signature is stylized and cursive.

Independent Auditor's Report

To the Members of the Iowa Egg Council:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Iowa Egg Council, as of and for the year ended June 30, 2024 and 2023, and the related Notes to Financial Statements, which collectively comprise the Iowa Egg Council's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the Iowa Egg Council as of June 30, 2024 and 2023 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Iowa Egg Council, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Iowa Egg Council's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Iowa Egg Council's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Iowa Egg Council's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated July 23, 2025 on our consideration of the Iowa Egg Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Board's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Iowa Egg Council's internal control over financial reporting and compliance.

Iowa Egg Council

Notes to Financial Statements

June 30, 2024

(1) Summary of Significant Accounting Policies

The purpose of the Iowa Egg Council is to promote the increased utilization of eggs and egg products and provide for market development. Statutory authority for the Iowa Egg Council is established under Chapter 184 of the Code of Iowa. Funding is provided by an assessment imposed on producers for eggs sold. The assessment rate is two and one-half cents per thirty dozen eggs (one case).

- A. Reporting Entity – For financial reporting purposes, the Iowa Egg Council has included all funds, organizations, agencies, boards, commissions and authorities.

The Council's financial statements are prepared in accordance with U.S. generally accepted accounting principles as prescribed by the Financial Accounting Standards Board for non-profit organizations.

- B. Basis of Accounting – The financial statements of the Council are prepared on the accrual basis.
- C. Budgetary Control – Budgetary control is exercised over the Council by the governing body of the Council, which approves, reviews and revises the budget.
- D. Cash and Cash Equivalents – For purposes of the Statements of Cash Flows, all short-term cash investments that are highly liquid are considered to be cash equivalents. Cash equivalents are readily convertible to known amounts of cash and, at the day of purchase, have a maturity date no longer than three months.
- E. Property and Equipment – Property and equipment are capitalized at cost. Expenses for repair and maintenance are charged against operations. The estimated lives for property and equipment range from three to seven years.
- F. Depreciation – Property and equipment are depreciated on a straight-line basis over the estimated useful lives of the assets.
- G. Income Taxes – The Council is exempt from taxation under Section 501(c) of the Internal Revenue Code.
- H. Unearned Revenue – Although certain revenues are measurable, they are not available. Available means collected within the current year or expected to be collected soon enough thereafter to be used to pay liabilities of the current year. Unearned revenue represents the amount of assets that have been recognized, but the related revenue has not been recognized since the Iowa Egg Council has not made a qualifying expenditure. Unearned revenue in fiscal year ended June 30, 2022 consists of unspent deposits from the Iowa Poultry Association.
- I. Compensated Absences – Council employees accumulate a limited amount of earned but unused vacation hours for subsequent use or for payment upon termination, death or retirement. The liability recorded for earned, but unused vacation hours has been computed based on rates of pay in effect at the end of the fiscal year.

(2) Deposits

The Council's deposits in banks at June 30, 2024 and 2023 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This Chapter provides for additional assessments against the depositories to ensure there will be no loss of public funds.

The Council's deposits at June 30, 2024 and 2023 consist of cash in bank of \$1,808,169 and \$1,586,863, respectively.

(3) Related Party Transactions

The Council has contracted with the North Central Poultry Association (Association) to develop, prepare and distribute educational and promotional material relating to eggs, egg products and egg production, develop and implement public relations, advertising or marketing campaigns, market studies and/or research programs designed to maintain/increase the use of eggs or egg products, secure consumer confidence and promote the safe handling of eggs and egg products, promote the image of the egg production industry, identify opportunities for increasing the use of Iowa-produced eggs or egg products, identify the impact of trade policies, encourage exchange of information, ideas and technology between various parties involved in the egg industry and participate in trade missions, fairs, trade shows and conferences which are beneficial to the industry. The contract provides for the Council to make monthly payments to the Association for these services totaling \$575,300 and \$656,500 for the years ended June 30, 2024 and 2023, respectively.

In addition, certain administrative expenses are also paid by the Association for the Council under a contractual agreement. The contract provides for the Council to make payments to the Association totaling \$374,500 and \$364,800 for the years ended June 30, 2024 and 2023, respectively.

Both contracts contain provisions which state, in part, "The contract payments may be modified as necessary to meet the obligations incurred in the performance of this agreement. Such payments shall not exceed the actual amount required to cover the actual services performed..." Actual expenses under the above contracts totaled \$1,013,361 and \$994,164 for the years ended June 30, 2024 and 2023, respectively. The amounts paid to the Association are distributed to the appropriate expense classifications in Exhibit B of the financial statements.

(4) Property and Equipment

Property and equipment activity for the year ended June 30, 2024 is as follows:

	Year ended June 30, 2024			
	Balance Beginning of Year	Additions	Deductions	Balance End of Year
Equipment	\$ 22,500	-	-	22,500
Less accumulated depreciation	(15,750)	(4,500)	-	(20,250)
Property and equipment, net	\$ 6,750	(4,500)	-	2,250

(5) Risk Management

The Council is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. The Council assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

(6) SIMPLE IRA Plan

The Council participates in a SIMPLE IRA plan which covers most employees. The Council matches an employee's contributions up to a maximum of 3% of the employee's wages. Total expenses under this plan for the years ended June 30, 2024 and 2023 were \$5,707 and \$5,357, respectively.

(7) Gift Commitments

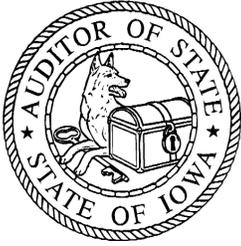

In June 2016, the Council made a gift commitment to establish a Poultry Teaching and Research Facility at Iowa State University. The Council pledged \$1,500,000 to the Poultry Teaching and Research Facility with the pledge to be completed in annual installments equal to the lesser of \$150,000, or 15% of annual check-off fee revenue over ten years beginning no earlier than July 2017. In June 2017, the Council approved to move up the first payment earlier than July 2017 in support of the planning process for the project. As a result, the first payment of \$150,000 was made to Iowa State University in June 2017 for this gift commitment. In August 2020, the Council increased its existing \$1,500,000 gift commitment by \$150,000 to \$1,650,000 and extended the Council's original gift commitment by one year with the final payment of \$150,000 to be received by June 30, 2027. In June 2023, the Council approved to pay a total of \$150,000. Total gift commitments to the Poultry Teaching and Research Facility, excluding separate donations not bound by a specific pledge, for the year ended June 30, 2024 were \$150,000. The total cumulative amount paid as of June 30, 2024 is \$1,200,000.

In August 2020, the Council made a gift commitment of \$80,000 to help fund the construction of the new Veterinary Diagnostic Laboratory Building at Iowa State University of Science and Technology to be paid in five annual installments of \$16,000 with the first payment being made in February 2021. Total gifts to the Veterinary Diagnostic Laboratory Building for the year ended June 30, 2024 were \$16,000. The total cumulative amount paid as of June 30, 2024 is \$64,000.

In January 2023, the Council made a one-year gift commitment of \$67,500 to help fund the fall manure project at Iowa State University of Science and Technology to be paid in three installments. The remaining \$33,750 was paid during fiscal year 2024. In addition, in January 2024, the Council made a one-year gift commitment of \$69,540 to help fund the fall manure project at Iowa State University of Science and Technology to be paid in three installments. Upon execution of the agreement, the Council paid \$34,770. Payments of \$17,385 each are to be made on July 1, 2024, and October 1, 2024.

The Council considers these gift commitments to be conditional pledges. The Council approves the payment amount as part of the annual budget, which is contingent upon the availability of future revenues.

Rob Sand
Auditor of State

Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance with
Government Auditing Standards

To the Members of the Iowa Egg Council:

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of the Iowa Egg Council as of and for the year ended June 30, 2024, and the related Notes to Financial Statements, which collectively comprise the Council's basic financial statements, and have issued our report thereon dated July 23, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Iowa Egg Council's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Iowa Egg Council's internal control. Accordingly, we do not express an opinion on the effectiveness of the Iowa Egg Council's internal control.

A deficiency in internal control exists when the design or operation of the control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Council's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control which is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Iowa Egg Council's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters which are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Iowa Egg Council's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Iowa Egg Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Iowa Egg Council during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

Brian R. Brustkern, CPA
Deputy Auditor of State
