

House Amendment 5216

Amendment Text

PAG LIN

1 1 Amend [House File 2182](#) as follows:
1 2 #1. Page 1, by inserting after line 31 the
1 3 following:
1 4 "If the centers for disease control and prevention
1 5 of the United States department of health and human
1 6 services, with the concurrence of the American academy
1 7 of pediatrics and the American college of obstetrics
1 8 and gynecology, determines that culture screenings of
1 9 pregnant women to identify those who may have a
1 10 positive screening result as a strategy to prevent the
1 11 onset of group B streptococcus disease in newborns is
1 12 no longer the most appropriate strategy, is no longer
1 13 indicated, or is replaced by a treatment modality
1 14 which renders the screening unnecessary, the director
1 15 shall adopt rules pursuant to section 17A.4,
1 16 subsection 2, and section 17A.5, subsection 2,
1 17 paragraph "b", to reflect the determination."
