9 49 ability of a child. In order for children to be ready
9 50 for school by age five, it is the intent of the
10 1 general assembly that implementation of the provisions
10 2 of this Act will accomplish the following:

10 3 a. Foster collaboration among state agencies which
10 4 shall initially include the departments of human
10 5 services, education, and public health, and allow the
10 6 blending of these agencies' funding and other

10 13 2. It is the intent of the general assembly that
10 14 over time community empowerment areas will be
10 15 developed in every part of the state. It is
10 16 anticipated that as local empowerment areas evolve and

10 18 in their areas, the initial structure for community
10 19 empowerment areas provided in this Act will be revised
10 20 by the Iowa empowerment board and by the general
10 21 assembly in order to best promote collaboration among
10 22 state and local education, health, and human services
10 23 programs.

10 24 3. It is the intent of the general assembly that
10 25 the duties of child welfare and juvenile justice

10 30 technical assistance, provide guidance, and take other
10 31 actions needed to assist the designation of community
10 32 empowerment areas and creation of community
10 33 empowerment boards and to enable the community
10 34 empowerment area boards to submit school ready
10 35 children grant plans in a timely manner for the
10 36 initial grants to be awarded and grant moneys to be
10 37 paid by October 1, 1998, in accordance with this Act.

11 2 boards of supervisors, cities, juvenile court
11 3 services, public health and human services
11 4 administrators in the community empowerment area, and
11 5 parents of children living in the area. If the
11 6 composition of the initial board does not comply with
11 7 the composition requirements of section 7I.5, the
11 8 board shall comply with the composition requirements
11 9 on or before June 30, 2000.

11 10 2. For an area which is not included in an
11 11 innovation zone or a decategorization project or for

11 12 an area desiring to be included in a different zone or

11 17 designation of a community empowerment area adopted
11 18 for this purpose by the Iowa empowerment board.

11 19 Sec. _____. TRANSITION BOARD. For the period
11 20 beginning on the effective date of this Act and ending
11 21 December 1, 1998, when the governor shall have
11 22 completed the appointments to the Iowa empowerment
11 23 board, the duties of the Iowa empowerment board under
