 19 16 Sec. 14. MEDICAL ASSISTANCE SUPPLEMENTAL  
 19 17 AMOUNTS. For the fiscal year beginning July 1, 1999,  
 19 18 and ending June 30, 2000, the department of human  
 19 19 services shall continue the supplemental  
 19 20 disproportionate share and a supplemental indirect  
 19 21 medical education adjustment applicable to state-owned  
 19 22 acute care hospitals with more than 500 beds and shall  
 19 23 reimburse qualifying hospitals pursuant to that  
 19 24 adjustment with a supplemental amount for services  
 19 25 provided medical assistance recipients. The  
 19 26 adjustment shall generate supplemental payments  
 19 27 intended to equal the state appropriation made to a  
 19 28 qualifying hospital for treatment of indigent patients

19 29 as provided in chapter 255. To the extent of the  
19 30 supplemental payments, a qualifying hospital shall,  
19 31 after receipt of the funds, transfer to the department  
19 32 of human services an amount equal to the actual  
19 33 supplemental payments that were made in that month.  
19 34 The aggregate amounts for the fiscal year shall not  
19 35 exceed the state appropriation made to the qualifying  
19 36 hospital for treatment of indigent patients as  
19 37 provided in chapter 255. The department of human  
19 38 services shall deposit the portion of these funds  
19 39 equal to the state share in the department's medical  
19 40 assistance account and the balance shall be credited  
19 41 to the general fund of the state. To the extent that  
19 42 state funds appropriated to a qualifying hospital for  
19 43 the treatment of indigent patients as provided in  
19 44 chapter 255 have been transferred to the department of  
19 45 human services as a result of these supplemental  
19 46 payments made to the qualifying hospital, the  
19 47 department shall not, directly or indirectly, recoup  
19 48 the supplemental payments made to a qualifying  
19 49 hospital for any reason, unless an equivalent amount  
19 50 of the funds transferred to the department of human  
20 1 services by a qualifying hospital pursuant to this  
20 2 provision is transferred to the qualifying hospital by  
20 3 the department.

20 4 If the state supplemental amount allotted to the  
20 5 state of Iowa for the federal fiscal year beginning  
20 6 October 1, 1999, and ending September 30, 2000,  
20 7 pursuant to section 1923(f)(3) of the federal Social  
20 8 Security Act, as amended, or pursuant to federal  
20 9 payments for indirect medical education is greater  
20 10 than the amount necessary to fund the federal share of  
20 11 the supplemental payments specified in the preceding  
20 12 paragraph, the department of human services shall  
20 13 increase the supplemental disproportionate share or  
20 14 supplemental indirect medical education adjustment by  
20 15 the lesser of the amount necessary to utilize fully  
20 16 the state supplemental amount or the amount of state  
20 17 funds appropriated to the state university of Iowa  
20 18 general education fund and allocated to the university  
20 19 for the college of medicine. The state university of  
20 20 Iowa shall transfer from the allocation for the  
20 21 college of medicine to the department of human  
20 22 services, on a monthly basis, an amount equal to the  
20 23 additional supplemental payments made during the  
20 24 previous month pursuant to this paragraph. A  
20 25 qualifying hospital receiving supplemental payments  
20 26 pursuant to this paragraph that are greater than the  
20 27 state appropriation made to the qualifying hospital  
20 28 for treatment of indigent patients as provided in  
20 29 chapter 255 shall be obligated as a condition of its  
20 30 participation in the medical assistance program to  
20 31 transfer to the state university of Iowa general  
20 32 education fund on a monthly basis an amount equal to  
20 33 the funds transferred by the state university of Iowa  
20 34 to the department of human services. To the extent  
20 35 that state funds appropriated to the state university  
20 36 of Iowa and allocated to the college of medicine have  
20 37 been transferred to the department of human services  
20 38 as a result of these supplemental payments made to the  
20 39 qualifying hospital, the department shall not,  
20 40 directly or indirectly, recoup these supplemental  
20 41 payments made to a qualifying hospital for any reason,  
20 42 unless an equivalent amount of the funds transferred  
20 43 to the department of human services by the state  
20 44 university of Iowa pursuant to this paragraph is  
20 45 transferred to the qualifying hospital by the

20 46 department.

20 47 Continuation of the supplemental disproportionate  
20 48 share and supplemental indirect medical education  
20 49 adjustment shall preserve the funds available to the  
20 50 university hospital for medical and surgical treatment  
21 1 of indigent patients as provided in chapter 255 and to  
21 2 the state university of Iowa for educational purposes  
21 3 at the same level as provided by the state funds  
21 4 initially appropriated for that purpose.

21 5 The department of human services shall, in any  
21 6 compilation of data or other report distributed to the  
21 7 public concerning payments to providers under the  
21 8 medical assistance program, set forth reimbursements  
21 9 to a qualifying hospital through the supplemental  
21 10 disproportionate share and supplemental indirect  
21 11 medical education adjustment as a separate item and  
21 12 shall not include such payments in the amounts  
21 13 otherwise reported as the reimbursement to a  
21 14 qualifying hospital for services to medical assistance  
21 15 recipients.

21 16 For purposes of this section, "supplemental  
21 17 payment" means a supplemental payment amount paid for  
21 18 medical assistance to a hospital qualifying for that  
21 19 payment under this section.

21 20 Sec. 15. STATE UNIVERSITY OF IOWA DEPARTMENT OF  
21 21 HUMAN SERVICES. The department of human services

21 31 indebtedness issued under section 262.48 to finance  
21 32 projects that will result in energy cost savings in an  
21 33 amount that will cause the state board to recover the  
21 34 cost of the projects within an average of six years.

21 35 Sec. 17. Notwithstanding section 270.7, the  
21 36 department of revenue and finance shall pay the state
