

# House Amendment 1904

## Amendment Text

PAG LIN

1 1 Amend the amendment, [H-1823](#), to [House File 745](#), as  
1 2 follows:  
1 3 #1. Page 2, by striking lines 6 through 8, and  
1 4 inserting the following:  
1 5 "\_\_\_\_. If the department determines that there is a  
1 6 suspected outbreak of foot and mouth disease in this  
1 7 state, the department shall immediately notify all of  
1 8 the following:  
1 9 a. The governor or a designee of the governor.  
1 10 The notification shall contain information regarding  
1 11 actions being implemented or recommended in order to  
1 12 determine if the outbreak is genuine and measures to  
1 13 control a genuine outbreak.  
1 14 b. The administrative unit of the United States  
1 15 department of agriculture responsible for controlling  
1 16 outbreaks in this state."  
1 17
