

House Amendment 1099

PAG LIN

1 1 Amend House File 22 as follows:
1 2 #1. Page 1, by striking lines 3 through 14 and
1 3 inserting the following:
1 4 <5. a. Joint physical care may be in the best
1 5 interest of the child, but joint legal custody does
1 6 not require joint physical care. When the court
1 7 determines such action would be in the best interest
1 8 of the child and would preserve the relationship
1 9 between each parent and the child, joint physical care
1 10 may be awarded to both joint custodial parents or
1 11 physical care may be awarded to one joint custodial
1 12 parent. If joint physical care is awarded to both
1 13 parents, the child shall reside continuously in a
1 14 family home and each parent shall reside in the home
1 15 with the child on an alternate basis in accordance
1 16 with a schedule established by the court.>
