

House Amendment 1433

PAG LIN

1 1 Amend the amendment, H=1417, to House File 841 as
1 2 follows:
1 3 #1. Page 4, by striking lines 25 through 33, and
1 4 inserting the following:
1 5 <2. a. Beginning no later than March 1, 2006,
1 6 within ninety days of enrollment in the expansion
1 7 population, each expansion population member shall
1 8 participate, in conjunction with receiving a single
1 9 comprehensive medical examination and completing a
1 10 personal health improvement plan, in a health risk
1 11 assessment coordinated by a health consortium
1 12 representing providers, consumers, and medical
1 13 education institutions. An expansion population
1 14 member who enrolls in the expansion population prior
1 15 to March 1, 2006, shall participate in the health risk
1 16 assessment, receive the single comprehensive medical
1 17 examination, and complete the personal health
1 18 improvement plan by June 1, 2006.
1 19 b. The health risk assessment shall be a web-based
1 20 electronic system capable of capturing and integrating
1 21 basic data to provide an individualized personal
1 22 health improvement plan for each expansion population
1 23 member. The health risk assessment shall provide a
1 24 preliminary diagnosis of current and prospective
1 25 health conditions and recommendations for improving
1 26 health conditions with an individualized wellness
1 27 program. The health risk assessment shall be made
1 28 available to the expansion population member and the
1 29 provider specified in paragraph "c" who performs the
1 30 comprehensive medical examination and provides the
1 31 individualized personal health improvement plan.
1 32 c. The single comprehensive medical examination
1 33 and personal health improvement plan may>.
