2 24 <5. IOWA TELECOMMUNICATIONS AND TECHNOLOGY

2 25 COMMISSION  
2 26 For broadband technology grants for the deployment  
2 27 and sustainability of high-speed broadband access:  
2 28 ..... \$ 25,000,000  
2 29 a. It is the intent of the general assembly that  
2 30 funds appropriated under this subsection for the  
2 31 deployment and sustainability of high-speed broadband  
2 32 access be used to access any federal funds made  
2 33 available. State and federal funds made available for  
2 34 broadband deployment shall be used to promote  
2 35 universal access to high-speed broadband services or  
2 36 used by private providers to promote telehealth  
2 37 according to federal requirements throughout the state  
2 38 for the benefit of Iowans and for the sustainability  
2 39 of such services.  
2 40 b. (1) The utilities board created in section  
2 41 474.1 and the economic development board created in  
2 42 section 15.103 shall establish a joint governance  
2 43 board consisting of the following members:  
2 44 (a) Five voting members:  
2 45 (i) One member representing counties.  
2 46 (ii) One member representing cities.  
2 47 (iii) One member representing the department of  
2 48 education.  
2 49 (iv) One member representing urban residential  
2 50 users in the state.  
3 1 (v) One member representing rural residential  
3 2 users in the state.  
3 3 (b) Four nonvoting, ex officio members  
3 4 representing the general assembly:  
3 5 (i) Two members appointed from the senate with one  
3 6 member appointed by the majority leader of the senate  
3 7 and one member appointed by the minority leader of the  
3 8 senate.  
3 9 (ii) Two members appointed from the house of  
3 10 representatives with one member appointed by the  
3 11 speaker of the house and one member appointed by the  
3 12 minority leader of the house.  
3 13 (2) Administrative support and planning costs  
3 14 incurred for the governance board shall be provided by  
3 15 the economic development board. Any necessary rules  
3 16 shall be adopted by the economic development board on  
3 17 behalf of the governance board.  
3 18 (3) A quorum of the governance board shall be a  
3 19 majority of the voting members.  
3 20 c. The governance board established in paragraph  
3 21 "b" shall do all of the following:  
3 22 (1) Establish a comprehensive plan for the  
3 23 deployment and sustainability of high-speed broadband  
3 24 access in areas capable of timely implementation of  
3 25 such access. The plan shall be consistent with  
3 26 federal requirements established for federal funds  
3 27 made available for the purposes of such projects that  
3 28 may be considered by the governance board.  
3 29 (2) Establish a competitive process for the  
3 30 disbursement of funds made available for the  
3 31 deployment and sustainability of high-speed broadband  
3 32 services in the form of grants. The governance board  
3 33 shall only consider applications from parties seeking  
3 34 to use funds for projects that are sustainable.  
3 35 (a) The board shall consider only applications  
3 36 submitted by qualified private providers of high-speed  
3 37 broadband services or by private providers to promote  
3 38 telehealth.  
3 39 (b) The board may award to any one qualified  
3 40 provider a grant in an amount of up to twenty percent  
3 41 of the total funds appropriated.  
3 42 (c) The plan shall allow for grants to projects  
3 43 that are financially feasible in areas of the state  
3 44 that remain unserved or underserved consistent with  
3 45 federal requirements.  
3 46 (3) Provide minimum broadband capacity throughout  
3 47 the area consistent with any applicable state and  
3 48 federal law or guidelines. The governance board shall  
3 49 ensure that the minimum broadband capacity meets any  
3 50 federal requirements established with regard to the  
4 1 federal funds made available in the form of grants.  
4 2 (4) Demonstrate that any project undertaken and  
4 3 funded by the governance board shall be economically  
4 4 sustainable with no further government assistance  
4 5 based upon expected revenue generation.

4 6 (5) Establish and maintain separate accounts for  
4 7 the use of bond proceeds and nonbond proceeds.>>
