<DIVISION _____

4

GOVERNMENT SHUTDOWN PLANNING

5

Sec. ____ . NEW SECTION. 8.75 Temporary limited

6

operations planning.

7

If the general assembly has not adjourned the

8

regular session by June 1, or if requested by the

9

legislative council or by a concurrent resolution

10

passed by both houses of the general assembly, the

11

department of management shall by that date submit to

12

the general assembly a plan for temporarily limiting

13

operations of government for the succeeding fiscal

14

year until a budget for that fiscal year has been

15

enacted. The plan shall be made publicly available on

16

the executive branch's internet site at the same time

17

that it is submitted to the general assembly.>

18

2. By renumbering as necessary.
