38 \$51,868,235 shall be used for state child care
39 assistance in accordance with section 237A.13.

40 2. Nothing in this section shall be construed or
41 is intended as or shall imply a grant of entitlement
42 for services to persons who are eligible for assistance
43 due to an income level consistent with the waiting
44 list requirements of section 237A.13. Any state
45 obligation to provide services pursuant to this section
46 is limited to the extent of the funds appropriated in
47 this section.

48 3. Of the funds appropriated in this section,
49 \$432,453 is allocated for the statewide program for

7 \$936,974 is allocated for child care quality
8 improvement initiatives including but not limited to
9 the voluntary quality rating system in accordance with
10 section 237.30.

11 5. The department may use any of the funds
12 appropriated in this section as a match to obtain
13 federal funds for use in expanding child care
14 assistance and related programs. For the purpose of
15 expenditures of state and federal child care funding,
16 funds shall be considered obligated at the time
17 expenditures are projected or are allocated to the
18 department's service areas. Projections shall be based
19 on current and projected caseload growth, current and
20 projected provider rates, staffing requirements for
21 eligibility determination and management of program
22 requirements including data systems management,

33 7. If a uniform reduction ordered by the governor
34 under section 8.31 or other operation of law,
35 transfer, or federal funding reduction reduces the

37 the percentage reduction in the amount paid out to or
38 on behalf of the families participating in the state
39 child care assistance program shall be equal to or
40 less than the percentage reduction made for any other
41 purpose payable from the appropriation made in this

43 percentage reduction to the other allocations made in
44 this section shall be the same as the uniform reduction
45 ordered by the governor or the percentage change of the
46 federal funding reduction, as applicable. If there is
47 an unanticipated increase in federal funding provided
48 for state child care assistance, the entire amount
49 of the increase shall be used for state child care

6 8. Notwithstanding section 8.33, moneys
7 appropriated in this section or received from the
8 federal appropriations made for the purposes of this
9 section that remain unencumbered or unobligated at the
10 close of the fiscal year shall not revert to any fund

16 provided to children who would otherwise receive
17 services paid under the appropriation in this section.

30 may reallocate the excess to provide additional
31 funding for shelter care or the child welfare emergency
32 services addressed with the allocation for shelter
33 care.

34 b. If at any time after September 30, 2011,
35 annualization of a service area's current expenditures
36 indicates a service area is at risk of exceeding its

39 juvenile court services shall examine all group
40 foster care placements in that service area in order
41 to identify those which might be appropriate for
42 termination. In addition, any aftercare services
43 believed to be needed for the children whose
44 placements may be terminated shall be identified. The
45 department and juvenile court services shall initiate
46 action to set dispositional review hearings for the
47 placements identified. In such a dispositional review
48 hearing, the juvenile court shall determine whether

28 proposals, and any subsequent amendments to the request
29 for proposals.

31 the fiscal year beginning July 1, 2011, as the
32 result of the expenditure of state funds appropriated
33 during a previous state fiscal year for a service or
34 activity funded under this section are appropriated
35 to the department to be used as additional funding
36 for services and purposes provided for under this

47 Sec. 48. 2010 Iowa Acts, chapter 1193, section 1,
48 as amended by this division of this Act, is amended by
49 adding the following new subsections:

50 NEW SUBSECTION. 4. Of the amounts appropriated

1 in this section, \$12,000,000 shall be distributed as
2 provided in this subsection.

3 a. To be eligible to receive a distribution under
4 this subsection, a county must meet the following
5 requirements:

6 (1) The county is levying for the maximum amount
7 allowed for the county's mental health, mental
8 retardation, and developmental disabilities services
9 fund under section 331.424A for taxes due and payable
10 in the fiscal year beginning July 1, 2011, or the
11 county is levying for at least 90 percent of the
12 maximum amount allowed for the county's services fund
13 and that levy rate is more than \$2 per \$1,000 of the
14 assessed value of all taxable property in the county.

15 (2) In the fiscal year beginning July 1, 2009,
16 the county's mental health, mental retardation, and
17 developmental disabilities services fund ending balance
18 under generally accepted accounting principles was
19 equal to or less than 15 percent of the county's actual
20 gross expenditures for that fiscal year.

21 b. The amount of a county's distribution from
22 the allocation made in this subsection shall be
23 determined based upon the county's proportion of the
24 general population of the counties eligible to receive
25 a distribution under this subsection. The latest
26 certified federal census issued by the United States
27 bureau of the census shall be applied in determining
28 population for the purposes of this paragraph.

29 c. The distributions made pursuant to this
30 subsection are subject to the distribution provisions
31 and withholding requirements established in this
32 section for the county mental health, mental
33 retardation, and developmental disabilities allowed
34 growth factor adjustment for the fiscal year beginning
35 July 1, 2011.

36 NEW SUBSECTION. 5. The following amount of the
37 funding appropriated in this section for distribution
38 to counties is the allowed growth factor adjustment for
39 fiscal year 2011-2012, and shall be credited to the
40 allowed growth funding pool created in the property tax
41 relief fund and for distribution in accordance with
42 section 426B.5, subsection 1:

43 \$ 61,697,893

44 For the distribution made for the fiscal year
45 beginning July 1, 2011, a county that is levying
46 at least 92 percent of the maximum amount allowed
47 for the county's mental health, mental retardation,
48 and developmental disabilities services fund under
49 section 331.424A for the fiscal year and that had
50 a negative services fund balance for the fiscal

1 year beginning July 1, 2009, after disregarding the
2 temporary funding increase provided to counties for
3 the fiscal year beginning July 1, 2009, through the
4 federal American Recovery and Reinvestment Act of
5 2009, Pub. L. No. 111-5, shall be deemed to have met
6 the allocation eligibility requirement under section
7 426B.5, subsection 1, paragraph "d", subparagraph (1),
8 subparagraph division (a).

9 NEW SUBSECTION. 6. The following formula amounts
10 shall be utilized only to calculate preliminary
11 distribution amounts for the allowed growth factor
12 adjustment for fiscal year 2011-2012 under this
13 section by applying the indicated formula provisions
14 to the formula amounts and producing a preliminary
15 distribution total for each county:

16 a. For calculation of a distribution amount for
17 eligible counties from the allowed growth funding pool
18 created in the property tax relief fund in accordance
19 with the requirements in section 426B.5, subsection
20 1, and including the allocation eligibility provision
21 authorized in subsection 5 of this section:
22 \$ 74,773,346

23 b. For calculation of a distribution amount for
24 counties from the mental health and developmental
25 disabilities (MH/DD) community services fund
26 in accordance with the formula provided in the
27 appropriation made for the MH/DD community services
28 fund for the fiscal year beginning July 1, 2011:
29 \$ 14,187,556

30 NEW SUBSECTION. 7. a. After applying the
31 applicable statutory distribution formulas to the
32 amounts indicated in subsection 6 for purposes of
33 producing preliminary distribution totals, the
34 department of human services shall apply a withholding
35 factor to adjust an eligible individual county's
36 preliminary distribution total. In order to be
37 eligible for a distribution under this section, a
38 county must be levying 90 percent or more of the
39 maximum amount allowed for the county's mental health,
40 mental retardation, and developmental disabilities
41 services fund under section 331.424A for taxes due and
42 payable in the fiscal year for which the distribution
43 is payable.

44 b. An ending balance percentage for each county
45 shall be determined by expressing the county's ending
46 balance on a modified accrual basis under generally
47 accepted accounting principles for the fiscal year
48 beginning July 1, 2009, in the county's mental health,
49 mental retardation, and developmental disabilities
50 services fund created under section 331.424A, as a

1 percentage of the county's gross expenditures from that
2 fund for that fiscal year. If a county borrowed moneys
3 for purposes of providing services from the county's
4 services fund on or before July 1, 2009, and the
5 county's services fund ending balance for that fiscal
6 year includes the loan proceeds or an amount designated
7 in the county budget to service the loan for the
8 borrowed moneys, those amounts shall not be considered
9 to be part of the county's ending balance for purposes
10 of calculating an ending balance percentage under this
11 subsection.

12 c. For purposes of calculating withholding
13 factors and for ending balance amounts used for other
14 purposes under law, the county ending balances shall
15 be adjusted, using forms developed for this purpose
16 by the county finance committee, to disregard the
17 temporary funding increase provided to the counties for
18 the fiscal year through the federal American Recovery
19 and Reinvestment Act of 2009, Pub. L. No. 111-5. In
20 addition, a county may adjust the ending balance amount
21 by rebating to the department all or a portion of
22 the allowed growth and MH/DD services fund moneys the
23 county received for the fiscal year beginning July 1,
24 2010, in accordance with 2009 Iowa Acts, chapter 179,
25 section 1, as amended by 2009 Iowa Acts, chapter 1192,
26 sections 47 and 48, or from any other services fund
27 moneys available to the county. The rebate must be
28 remitted to the department on or before June 1, 2011,
29 in order to be counted. However, if this division of
30 this Act is enacted after June 1, 2011, the rebate
31 must be remitted not later than 10 calendar days
32 after the date of the governor's approval of this Act.
33 The amount rebated by a county shall be subtracted
34 dollar-for-dollar from the county's ending balance
35 amount for the fiscal year beginning July 1, 2009, for
36 purposes of calculating the withholding factor and
37 for other ending balance purposes for the fiscal year
38 beginning July 1, 2011. The rebates received by the
39 department shall be credited to the property tax relief
40 fund and distributed as additional funding for the
41 fiscal year beginning July 1, 2011, in accordance with
42 the formula provisions in this section.

43 d. The withholding factor for a county shall be the
44 following applicable percent:

45 (1) For an ending balance percentage of less than
46 5 percent, a withholding factor of 0 percent. In
47 addition, a county that is subject to this lettered
48 paragraph shall receive an inflation adjustment equal
49 to 3 percent of the gross expenditures reported for the
50 county's services fund for the fiscal year.

1 (2) For an ending balance percentage of 5 percent
2 or more but less than 10 percent, a withholding factor
3 of 0 percent. In addition, a county that is subject
4 to this lettered paragraph shall receive an inflation
5 adjustment equal to 2 percent of the gross expenditures
6 reported for the county's services fund for the fiscal
7 year.

8 (3) For an ending balance percentage of 10 percent
9 or more but less than 25 percent, a withholding factor
10 of 25 percent. However, for counties with an ending
11 balance percentage of 10 percent or more but less than
12 15 percent, the amount withheld shall be limited to
13 the amount by which the county's ending balance was in
14 excess of the ending balance percentage of 10 percent.

15 (4) For an ending balance percentage of 25 percent
16 or more, a withholding percentage of 100 percent.

17 NEW SUBSECTION. 8. The total withholding amounts
18 applied pursuant to subsection 7 shall be equal to
19 a withholding target amount of \$13,075,453. If the
20 department of human services determines that the
21 amount appropriated is insufficient or the amount to be
22 withheld in accordance with subsection 7 is not equal
23 to the target withholding amount, the department shall
24 adjust the withholding factors listed in subsection 7
25 as necessary to achieve the target withholding amount.
26 However, in making such adjustments to the withholding
27 factors, the department shall strive to minimize
28 changes to the withholding factors for those ending
29 balance percentage ranges that are lower than others
30 and shall only adjust the zero withholding factor
31 or the inflation adjustment percentages specified
32 in subsection 7, paragraph "d", when the amount
33 appropriated is insufficient.

34 Sec. 49. 2010 Iowa Acts, chapter 1193, section 99,
35 is amended to read as follows:

36 SEC. 99. MH/MR/DD SERVICES FUND
37 TRANSFER. Notwithstanding section 331.424A, subsection
38 5, and section 331.432, subsection 3, for the
39 fiscal year beginning July 1, 2010, and ending June
40 30, 2011, a county may transfer moneys from other
41 funds of the county to the county's mental health,
42 mental retardation, and developmental disabilities
43 services fund created in section 331.424A. A county
44 transferring moneys from other funds of the county
45 to the county's services fund pursuant to this
46 section shall submit a report detailing the transfers
47 made and funds affected. The county shall submit
48 the report along with the county expenditure and

32 1. There is appropriated from the general fund of
33 the state to the department of human services for the
34 fiscal year beginning July 1, 2012, and ending June 30,
35 2013, the following amount, or so much thereof as is
36 necessary, to be used for the purpose designated:

37 For distribution to counties of the county mental
38 health, mental retardation, and developmental
39 disabilities allowed growth factor adjustment for
40 fiscal year 2012-2013 as provided in this section in
41 lieu of the allowed growth factor provisions of section
42 331.438, subsection 2, and section 331.439, subsection
43 3, and chapter 426B and for transfer for the medical
44 assistance program:

45 \$ 88,697,893

46 Of the amount appropriated in this subsection,
47 \$5,000,000 shall be transferred to the appropriation
48 made in the department of human services division of
49 this Act from the general fund of the state to the
50 department of human services for the medical assistance

1 program for the fiscal year beginning July 1, 2012, and
2 shall be used to continue the funding designated in the
3 previous fiscal year to reduce home and community-based
4 services waiver waiting lists for children's mental
5 health, intellectual disabilities, and brain injury.

6 2. Of the amount appropriated in this section,
7 \$12,000,000 shall be distributed as provided in this
8 subsection.

9 a. To be eligible to receive a distribution under
10 this subsection, a county must meet the following
11 requirements:

12 (1) The county is levying for the maximum amount
13 allowed for the county's mental health, mental
14 retardation, and developmental disabilities services
15 fund under section 331.424A for taxes due and payable
16 in the fiscal year beginning July 1, 2012, or the
17 county is levying for at least 90 percent of the
18 maximum amount allowed for the county's services fund
19 and that levy rate is more than \$2 per \$1,000 of the
20 assessed value of all taxable property in the county.

21 (2) In the fiscal year beginning July 1, 2010,
22 the county's mental health, mental retardation, and
23 developmental disabilities services fund ending balance
24 under generally accepted accounting principles was
25 equal to or less than 15 percent of the county's actual
26 gross expenditures for that fiscal year.

27 b. The amount of a county's distribution from the
28 allocation made in this subsection shall be determined
29 based upon the county's proportion of the general
30 population of the counties eligible to receive a
31 distribution under this subsection. The most recent
32 population estimates issued by the United States
33 bureau of the census shall be applied in determining
34 population for the purposes of this paragraph.

35 c. The distributions made pursuant to this
36 subsection are subject to the distribution provisions
37 and withholding requirements established in this
38 section for the county mental health, mental
39 retardation, and developmental disabilities allowed
40 growth factor adjustment for the fiscal year beginning
41 July 1, 2012.

42 3. The following amount of the funding appropriated
43 in this section is the allowed growth factor adjustment
44 for fiscal year 2012-2013, and shall be credited to the
45 allowed growth funding pool created in the property tax
46 relief fund and for distribution in accordance with
47 section 426B.5, subsection 1:

48 \$ 71,697,893

49 4. The following formula amounts shall be utilized
50 only to calculate preliminary distribution amounts for

1 the allowed growth factor adjustment for fiscal year
2 2012-2013 under this section by applying the indicated
3 formula provisions to the formula amounts and producing
4 a preliminary distribution total for each county:

5 a. For calculation of a distribution amount for
6 eligible counties from the allowed growth funding pool
7 created in the property tax relief fund in accordance
8 with the requirements in section 426B.5, subsection 1:
9 \$ 84,773,346

10 b. For calculation of a distribution amount for
11 counties from the mental health and developmental
12 disabilities (MH/DD) community services fund
13 in accordance with the formula provided in the
14 appropriation made for the MH/DD community services
15 fund for the fiscal year beginning July 1, 2012:
16 \$ 14,187,556

17 5. a. After applying the applicable statutory
18 distribution formulas to the amounts indicated in
19 subsection 4 for purposes of producing preliminary
20 distribution totals, the department of human services
21 shall apply a withholding factor to adjust an eligible
22 individual county's preliminary distribution total.
23 In order to be eligible for a distribution under
24 this section, a county must be levying 90 percent or
25 more of the maximum amount allowed for the county's
26 mental health, mental retardation, and developmental
27 disabilities services fund under section 331.424A for
28 taxes due and payable in the fiscal year for which the
29 distribution is payable.

30 b. An ending balance percentage for each county
31 shall be determined by expressing the county's ending
32 balance on a modified accrual basis under generally
33 accepted accounting principles for the fiscal year
34 beginning July 1, 2010, in the county's mental health,
35 mental retardation, and developmental disabilities
36 services fund created under section 331.424A, as a
37 percentage of the county's gross expenditures from that
38 fund for that fiscal year. If a county borrowed moneys
39 for purposes of providing services from the county's
40 services fund on or before July 1, 2010, and the
41 county's services fund ending balance for that fiscal
42 year includes the loan proceeds or an amount designated
43 in the county budget to service the loan for the
44 borrowed moneys, those amounts shall not be considered
45 to be part of the county's ending balance for purposes
46 of calculating an ending balance percentage under this
47 subsection.

48 c. For purposes of calculating withholding
49 factors and for ending balance amounts used for other
50 purposes under law, the county ending balances shall

1 be adjusted, using forms developed for this purpose
2 by the county finance committee, to disregard the
3 temporary funding increase provided to the counties for
4 the fiscal year through the federal American Recovery
5 and Reinvestment Act of 2009, Pub. L. No. 111-5. In
6 addition, a county may adjust the ending balance amount
7 by rebating to the department all or a portion of
8 the allowed growth and MH/DD services fund moneys the
9 county received for the fiscal year beginning July 1,
10 2011, in accordance with this Act, or from any other
11 services fund moneys available to the county. The
12 rebate must be remitted to the department on or before
13 June 1, 2012, in order to be counted. However, if this
14 division of this Act is enacted after July 1, 2012, the
15 rebate must be remitted not later than 10 calendar days
16 after the date of the governor's approval of this Act.
17 The amount rebated by a county shall be subtracted
18 dollar-for-dollar from the county's ending balance
19 amount for the fiscal year beginning July 1, 2010, for
20 purposes of calculating the withholding factor and
21 for other ending balance purposes for the fiscal year
22 beginning July 1, 2012. The rebates received by the
23 department shall be credited to the property tax relief
24 fund and distributed as additional funding for the
25 fiscal year beginning July 1, 2012, in accordance with
26 the formula provisions in this section.

27 d. The withholding factor for a county shall be the
28 following applicable percent:

29 (1) For an ending balance percentage of less than
30 5 percent, a withholding factor of 0 percent. In
31 addition, a county that is subject to this lettered
32 paragraph shall receive an inflation adjustment equal
33 to 3 percent of the gross expenditures reported for the
34 county's services fund for the fiscal year.

35 (2) For an ending balance percentage of 5 percent
36 or more but less than 10 percent, a withholding factor
37 of 0 percent. In addition, a county that is subject
38 to this lettered paragraph shall receive an inflation
39 adjustment equal to 2 percent of the gross expenditures
40 reported for the county's services fund for the fiscal
41 year.

42 (3) For an ending balance percentage of 10 percent
43 or more but less than 25 percent, a withholding factor
44 of 25 percent. However, for counties with an ending
45 balance of 10 percent or more but less than 15 percent,
46 the amount withheld shall be limited to the amount by
47 which the county's ending balance was in excess of the
48 ending balance percentage of 10 percent.

49 (4) For an ending balance percentage of 25 percent
50 or more, a withholding percentage of 100 percent.

1 6. The total withholding amounts applied pursuant
2 to subsection 5 shall be equal to a withholding target
3 amount of \$13,075,453. If the department of human
4 services determines that the amount appropriated
5 is insufficient or the amount to be withheld in
6 accordance with subsection 5 is not equal to the target
7 withholding amount, the department shall adjust the
8 withholding factors listed in subsection 5 as necessary
9 to achieve the target withholding amount. However, in
10 making such adjustments to the withholding factors,
11 the department shall strive to minimize changes to the
12 withholding factors for those ending balance percentage
13 ranges that are lower than others and shall only adjust
14 the zero withholding factor or the inflation adjustment
15 percentages specified in subsection 5, paragraph "d",
16 when the amount appropriated is insufficient.
