12 due to an income level consistent with the waiting
13 list requirements of section 237A.13. Any state
14 obligation to provide services pursuant to this section

10 232.143 by more than 5 percent, the department and
11 juvenile court services shall examine all group
12 foster care placements in that service area in order
13 to identify those which might be appropriate for

20 hearing, the juvenile court shall determine whether
21 needed aftercare services are available and whether
22 termination of the placement is in the best interest of
23 the child and the community.

24 5. In accordance with the provisions of section
