

House File 2310

H-8037

1 Amend House File 2310 as follows:

2 1. Page 1, line 5, by striking <control equipment  
3 and>

4 2. Page 1, line 27, after <alarms.> by inserting  
5 <For purposes of this paragraph, "*approved carbon*  
6 *monoxide alarm*" means a carbon monoxide alarm that  
7 meets the standards established by the underwriters'  
8 laboratories or is approved by the state fire marshal  
9 as established by rule under subsection 4.>

10 3. Page 2, by striking lines 9 through 12 and  
11 inserting <carbon monoxide alarm in a location as  
12 specified by rules established by the state fire  
13 marshal under subsection 4, taking into account  
14 the number and location of all fuel sources in the  
15 building.>

16 4. Page 3, line 25, by striking <2017> and  
17 inserting <2018>
