

Senate File 205

S-3007

1 Amend Senate File 205 as follows:

2 1. By striking page 1, line 25, through page 2,
3 line 1, and inserting:

4 <“State law requires the following notification:

5 Your mammogram indicates that you have dense breast
6 tissue. Dense breast tissue may make it more difficult
7 to evaluate the results of your mammogram and may
8 also be associated with an increased risk of breast
9 cancer. You are encouraged to consult with your
10 primary health care provider regarding the results of
11 your mammogram. Together you can best decide which
12 additional screening options may be right for you based
13 on your mammogram results, individual risk factors, or
14 physical examination.”>
