3 <Sec. \_\_\_\_ . NEW SECTION. **546B.1 Legislative findings and**  
4 **intent.**

5 The general assembly finds and declares that the practice of  
6 using the allure of untapped benefits from the United States  
7 department of veterans affairs to market products and services  
8 substantially affects the public interest and that this  
9 practice may impact the ability of veterans or their surviving  
10 spouses to appropriately plan their finances and for their  
11 care. The general assembly further finds that the lack of  
12 regulation of persons who provide advice related to veterans'  
13 benefits is inadequate to address unfair and deceptive use and  
14 marketing of financial planning options that are potentially  
15 detrimental to veterans and their spouses and families.  
16 Therefore, it is the intent of the general assembly to  
17 restrict, consistent with federal law, how individuals receive  
18 compensation and remuneration for providing assistance with  
19 veterans' benefit-related services and to encourage certain  
20 disclosures by individuals offering veterans' benefit-related  
21 services.>
