17 to read as follows:

18 5. *Alternate supplemental state aid — definitions.*

30 those terms as calculated including the additional amount for  
31 the budget year beginning July 1, 2018, under section 257.9,  
32 subsection 2, paragraph "b", and references to "regular program  
33 district cost per pupil" shall mean that term as calculated

4 *succeeding years.*

5     a. For the budget year beginning July 1, 1992, and

7 regular program state cost per pupil for a budget year is the  
8 regular program state cost per pupil for the base year plus the  
9 regular program supplemental state aid for the budget year.

10    b. For the budget year beginning July 1, 2018, the regular  
11 program state cost per pupil is the regular program state

30 regular program district cost per pupil for the budget year and  
31 the regular program state cost per pupil for the budget year  
32 is greater than an amount equal to two percent multiplied by  
33 the regular program state cost per pupil for the base year, the  
34 regular program district cost per pupil for the budget year  
35 shall be reduced by the amount equal to two percent multiplied
