

House File 766

H-1184

1 Amend House File 766 as follows:

2 1. Page 13, after line 14 by inserting:

3 <___. The department of public health shall review
4 current data, regarding the increase in diagnoses of sexually
5 transmitted diseases on the state and national level, to
6 determine the causes of the increase, and the best strategies
7 to enhance public awareness about the risks and means of
8 avoiding transmission and the importance of testing. The
9 department shall report its findings and strategies to the
10 governor and the general assembly by December 15, 2019.>

11 2. By renumbering, redesignating, and correcting internal
12 references as necessary.
