

House File 768

H-1291

1 Amend the amendment, H-1275, to House File 768 as follows:

2 1. Page 3, after line 27 by inserting:

3 <\_\_\_\_. The authority shall monitor the outcomes of  
4 the program, including but not limited to the successful  
5 establishment of beginning farmers in farming following their  
6 exit from the program, the size and nature of continuing  
7 operations of beginning farmers who participated in the  
8 program, county locations where operations are becoming or  
9 failing to become established, continuing access to farmland  
10 by beginning farmers, and the economic stability of assisted  
11 farming businesses relative to the success of beginning farmer  
12 businesses not participating in the program. The authority  
13 shall prepare and submit a report to the governor and general  
14 assembly detailing the findings and recommendations not later  
15 than January 10 of each year.>

16 2. By renumbering, redesignating, and correcting internal  
17 references as necessary.
