

House File 758

S-3207

1 Amend the amendment, S-3200, to House File 758, as amended,  
2 passed, and reprinted by the House, as follows:

3 1. Page 11, line 9, by striking <and \$150,000> and inserting  
4 <\$125,000>

5 2. Page 11, line 11, after <providers> by inserting <,  
6 and \$25,000 shall be allocated to the department for costs  
7 associated with the development and distribution of curriculum  
8 materials, and to supplement resources at the clearinghouse  
9 created in accordance with this subsection, that support  
10 age-appropriate and research-based instruction regarding  
11 mental health awareness, suicide prevention, and coping skills  
12 provided under the health curriculum for grades seven and eight  
13 pursuant to section 256.11, subsection 4, as amended by this  
14 Act, and under the health education unit provided for grades  
15 nine through twelve required under section 256.11, subsection  
16 5, paragraph "j", as amended by this Act>

17 3. Page 22, after line 16 by inserting:

18 <Sec. \_\_\_\_\_. Section 256.11, subsection 4, Code 2019, is  
19 amended to read as follows:

20 4. The following shall be taught in grades seven and  
21 eight: English-language arts; social studies; mathematics;  
22 science; health; age-appropriate and research-based human  
23 growth and development; career exploration and development;  
24 physical education; music; and visual art. Career exploration  
25 and development shall be designed so that students are  
26 appropriately prepared to create an individual career  
27 and academic plan pursuant to [section 279.61](#), incorporate  
28 foundational career and technical education concepts aligned  
29 with the six career and technical education service areas  
30 as defined in [subsection 5](#), paragraph "h", and incorporate  
31 relevant twenty-first century skills. The health curriculum  
32 shall include age-appropriate and research-based information  
33 regarding the characteristics of sexually transmitted diseases,  
34 including HPV and the availability of a vaccine to prevent HPV,  
35 and acquired immune deficiency syndrome; and age-appropriate

1 and research-based information regarding mental health  
2 awareness, suicide prevention, and coping skills. Coping  
3 skills shall include but not be limited to preventing dating  
4 violence and respecting the requirement for affirmative,  
5 conscious, and voluntary consent prior to sexual activity. The  
6 state board as part of accreditation standards shall adopt  
7 curriculum definitions for implementing the program in grades  
8 seven and eight. However, *this subsection* shall not apply to  
9 the teaching of career exploration and development in nonpublic  
10 schools. For purposes of *this section*, "*age-appropriate*",  
11 "*HPV*", and "*research-based*" mean the same as defined in section  
12 279.50.

13 Sec. \_\_\_\_\_. Section 256.11, subsection 5, paragraph j,  
14 subparagraph (1), Code 2019, is amended to read as follows:

15 (1) One unit of health education which shall include  
16 personal health; food and nutrition; environmental health;  
17 safety and survival skills; consumer health; family life;  
18 age-appropriate and research-based human growth and  
19 development; substance abuse and nonuse; emotional and social  
20 health, including mental health awareness, suicide prevention,  
21 and coping skills, which shall include but not be limited to  
22 preventing dating violence and respecting the requirement  
23 for affirmative, conscious, and voluntary consent prior to  
24 sexual activity; health resources; and prevention and control  
25 of disease, including age-appropriate and research-based  
26 information regarding sexually transmitted diseases, including  
27 HPV and the availability of a vaccine to prevent HPV, and  
28 acquired immune deficiency syndrome.>

29 4. By renumbering, redesignating, and correcting internal  
30 references as necessary.
