2 1. By striking page 3, line 35, through page 4, line 3, and
3 inserting:

4 <3. A valid provider-patient relationship may be
5 established through any of the following means:

6 a. Through an in-person encounter which includes an
7 in-person medical interview and physical examination conducted
8 under the standard of care required for an in-person encounter.

9 b. Through consultation with a primary care provider who has
10 an established relationship with the patient and who agrees to
11 participate in or supervise the patient's care.

12 c. Through telehealth, if the standard of care does
13 not require an in-person encounter, in accordance with
14 evidence-based standards of practice and telehealth practice
15 guidelines that address the clinical and technological
16 aspects of telehealth, and the student's parent or guardian is
17 present.>

18 2. By renumbering as necessary.
