24 <DIVISION ____
25 BUDGETARY INFORMATION

26 Sec. ____ . Section 8.6, subsection 16, paragraph b, Code
27 2020, is amended to read as follows:

28 *b.* The department of revenue, the department of
29 administrative services, the office of the chief information
30 officer, the institutions governed by the state board of
31 regents pursuant to [section 262.7](#), each judicial district’s
32 department of correctional services, and the state department
33 of transportation shall provide salary data to the department
34 of management and the legislative services agency to operate
35 the state’s salary model. The format and frequency of

1 provision of the salary data shall be determined by the
2 department of management and the legislative services agency.
3 Sec. _____. Section 8.35A, subsection 1, Code 2020, is amended
4 to read as follows:

5 1. By July 1, the director of the department of management,
6 in conjunction with the director of the department of
7 administrative services and the chief information officer of
8 the state, shall provide a projected expenditure breakdown
9 of each appropriation for the beginning fiscal year to the
10 legislative services agency in the form and level of detail
11 requested by the legislative services agency. By the fifteenth
12 of each month, the director, in conjunction with the director
13 of the department of administrative services and the chief
14 information officer of the state, shall transmit to the
15 legislative services agency a record for each appropriation
16 of actual expenditures for the prior month of the fiscal year
17 and the fiscal year to date in the form and level of detail
18 as requested by the legislative services agency. By October
19 1, the director, in conjunction with the director of the
20 department of administrative services and the chief information
21 officer of the state, shall transmit the total record of an
22 appropriation, including reversions and transfers for the prior
23 fiscal year ending June 30, to the legislative services agency.
