

House File 2423

H-8014

1 Amend House File 2423 as follows:

2 1. Page 7, by striking lines 3 through 19 and inserting:

3 <3. The department shall develop an electronic process in  
4 which an approved ignition interlock device provider is able to  
5 identify the start date of a driver's license revocation and to  
6 provide notice of any violations and a final compliance report  
7 to the department.>
