

Senate Amendment to  
House File 2668

H-8294

1 Amend House File 2668, as passed by the House, as follows:

2 1. Page 1, by striking lines 14 through 17 and inserting:

3 <c. "*Clinical utility*" means sufficient medical and  
4 scientific evidence indicating that the use of a biomarker test  
5 will provide meaningful information that affects treatment  
6 decisions and guides improvement of net health outcomes,  
7 including an improved quality of life or longer survival.>
