

House File 2672

H-8171

1 Amend House File 2672 as follows:

2 1. Page 8, after line 31 by inserting:

3 <6. a. (1) The total statewide capacity of the community  
4 solar program established under this section shall be no  
5 greater than two hundred fifty megawatts of alternating current  
6 nameplate capacity.

7 (2) On or before January 1, 2030, the commission shall  
8 prepare and submit a report to the general assembly evaluating  
9 the costs and benefits of the community solar program for  
10 the purpose of assisting the general assembly in determining  
11 whether additional capacity is in the public interest. This  
12 subparagraph is repealed July 1, 2030.

13 b. No more than one-tenth of one percent of the total  
14 acres within a county shall be authorized for utilization by  
15 community solar facilities. This paragraph shall not apply to  
16 a community solar facility located on a brownfield site.>
