# Presidents of the Senate

## 1838 – 2025

Information updated through the 2025 Regular Session.

In **Assembly** column, “LA” means Legislative Assembly of the Territory of Iowa.

During the Territory of Iowa Legislative Assembly, the upper chamber was known as the Council.

The Lieutenant Governor performed the duties of President of the Senate from September 3, 1857, through January 14, 1991. Prior to 1991, Article IV, section 18, of the Constitution of Iowa provided that the Lieutenant Governor shall perform the duties of the President of the Senate. In 1988, a constitutional amendment significantly changed the duties and responsibilities of the Lieutenant Governor for the term beginning in 1991. As of 1991, duties of Iowa’s Lieutenant Governor no longer include presiding over the state Senate.
