GOVERNOR'S ECONOMIC RECOVERY ADVISORY BOARD MEETING — JULY 2, 2020

Meeting. The Governor's Economic Recovery Advisory Board met on July 2, 2020, by teleconference. The Board was established by [Executive Order 6](#) on June 18, 2020. The Board serves as the central point of coordination for State activities related to the recovery and rebuilding efforts following the COVID-19 pandemic. A tentative timeline has been established including a deadline of October 6, 2020, when final recommendations will be given to Governor Kim Reynolds. An [Economic Recovery website](#) has been developed and will provide the following:

- Board membership and Working Group leadership.
- Updates on Board activity and meeting schedules.
- Posting of any documents presented during the Board meetings.
- Posting of agendas.
- An opportunity to submit an economic recovery idea.

In addition to the Board, the following seven working groups have been formed with individual subgroups developed:

- Agriculture
- Connectivity
- Economic Growth with subgroups of Hospitality and Tourism, Housing, Innovation, Manufacturing, and Supply Chain/Reshoring
- Education
- Government
- Public Health and Health Care
- Expanding Iowa's Workforce

The leadership of each working group presented their areas of focus, group membership, meeting schedules, and goals. The overlap of areas was discussed by the Board and it was determined that if an overlap area has been identified, it will be assigned to one of the working groups to take the lead on that area. Each working group will provide weekly reports on progress, and an electronic vote was to be completed July 8, 2020, for accepting the identified charge of each working group.

Next Meeting. The next meeting of the Advisory Board is scheduled for July 24, 2020, by teleconference.
