Road Use Tax Fund and TIME-21 Fund Distributions by Month  
FY 2024 vs FY 2025

<sup>1</sup> "Fiscal year" refers to cash deposits between July 1 and June 30 without regard to accrual adjustments.

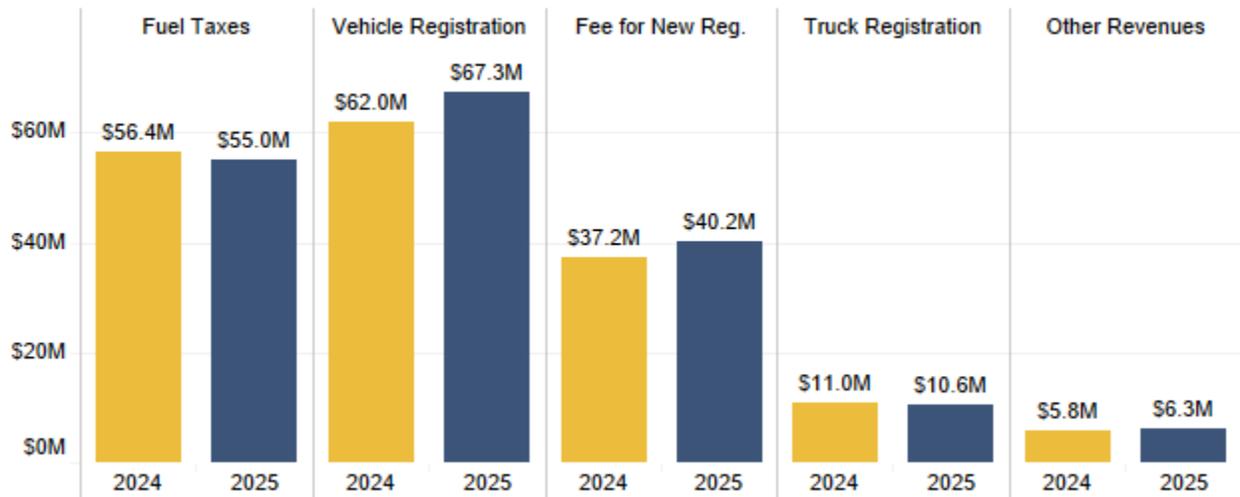

The majority of funding allocated to the RUTF is provided through fuel taxes, annual vehicle registration fees, and new vehicle registration fees. These three revenue sources have provided 88.1% of all revenue in the RUTF through January 31, 2025. Fiscal year 2025 revenues by type are displayed below.

**Road Use Tax Fund Distributions by Revenue Source — FY 2025**

The figure below displays revenue by source distributed in February 2025 compared to February 2024. Compared to February 2024, revenue from fuel taxes decreased by \$1.4 million, revenue from vehicle registrations increased by \$5.3 million, revenue from fees for new vehicle registrations increased by approximately \$3.0 million, revenue from fees for truck registrations decreased by \$335,000, and other revenues increased by \$559,000.

Note: Year-over-year difference may not match the narrative description due to rounding.

**Distributions.** Prior to distribution, the RUTF receipts are allocated to fund appropriations from the annual Transportation Appropriations Act, standing appropriations, and codified allocations.

In February 2025, the Treasurer of State distributed \$179.4 million to allocations and appropriations. This distribution included \$13.3 million to statutory allocations and appropriations, \$4.4 million to annual appropriations, and \$161.7 million to road funds. Additional information on distributions from the RUTF is available [here](#).
