### IOWA UTILITIES COMMISSION MONTHLY MEETING — SEPTEMBER 2025

**Meeting.** The Iowa Utilities Commission (IUC) met on September 10, 2025, at the IUC Conference Room in Des Moines. The following agenda items were discussed:

- The IUC approved the meeting minutes from the August 20, 2025, meeting.
- An update on the Regional Transmission Organization (RTO) was provided to the IUC, which included an update on the Midcontinent Independent System Operator and Southwest Power Pool.
- An update on the One Call complaint process was provided to the IUC, including an update on One Call training around the State.
- An update on the monthly financials, grant spending, and offset program was provided to the IUC.

Other items discussed include the following:

- Digital Connectivity and Lifeline Awareness Week, which promotes telephone services for qualified families based on income.
- The FY 2026 IUC operational plan was posted on the IUC's [website](#).

The next meeting will be held on October 15, 2025, at the IUC Conference Room in Des Moines.
