IOWA UTILITIES COMMISSION MONTHLY MEETING — AUGUST 2026

Meeting. The Iowa Utilities Commission (IUC) met on August 19, 2026, at the IUC Conference Room in Des Moines. The IUC approved the meeting minutes from the July 13, 2026, IUC meeting. The following additional agenda items were discussed:

- An [update on safety precautions](#) regarding tripping hazards in the workplace.
- An [update on the Regional Transmission Organization](#) (RTO) including updates on the Midcontinental Independent System Operator (MISO), the Southwest Power Pool (SPP), and the Federal Energy Regulatory Commission (FERC).
- A [litigation status report](#).
- A [monthly financials update](#).

Other business items also discussed include the following:

- A report regarding a [collaborative utility GIS initiative](#).
- A status update regarding the National Association of Regulatory Utility Commissioners (NARUC).

A recording of the meeting is available on the [IUC website](#).

Next Meeting. The next IUC monthly meeting will be held on September 9, 2026, at 9:00 a.m. at the IUC Conference Room in Des Moines.
