DISASTER PROCLAMATION

Storm Damage. As a result of the severe storms that occurred in Davis, Humboldt, Monroe, and Wright counties on June 22, 2015, Governor Branstad has issued a proclamation of disaster emergency.

Disaster Funds. This proclamation activates the Iowa Individual Assistance Program (IIAP) for those four counties and allows State resources to be utilized for response and recovery. The IIAP provides grants up to \$5,000 for households with incomes up to 200.0% of the federal poverty level, or a maximum annual income of \$40,180 for a family of three.

Grants. Grant proceeds can be used for home and car repairs, replacement of clothing and food, and the expense of temporary housing. Grant applications and instructions are available on the Iowa Department of Human Services website. Applicants have 45 days from the date of the disaster proclamation to submit claims, and original receipts for actual expenses related to storm recovery are required.
