### TRANSFER NOTICE — DEPARTMENT OF INSPECTIONS AND APPEALS

**Notice of Funds Transfer.** On August 28, 2017, the Department of Management (DOM) notified the Legislative Services Agency (LSA) of an FY 2017 transfer of \$65,000 from the Department of Inspections and Appeals (DIA) Health Facilities and Investigations Divisions to the Department's Administration Division.

**Transfer Authority.** [Senate File 130](#) (FY 2017 Budget Adjustment Act) provided language authorizing the Director of the DIA, in consultation with the DOM and the LSA, to make allocations between Department divisions in the manner and to the extent the Director determines appropriate. The total allocation transfer of \$65,000 was made available as a result of holding positions vacant in both the Health Facilities and Investigations Divisions, and will cover an unexpected decrease in indirect federal funding to the Administration Division.
