34 **EXPLANATION**

35 The inclusion of this explanation does not constitute agreement with

1 the explanation's substance by the members of the general assembly.

2 This bill relates to continuation of or reenrollment of
3 certain dependents of enrollees in group, public employee,
4 individual, and health maintenance organization health care
5 coverage. The bill provides that a child of an enrollee who
6 so elects can continue or reenroll in the parent's health care
7 coverage until the date the child attains the age of 26. This
8 provision is consistent with federal law concerning coverage
9 of adult children.

10 The bill deletes a provision that requires such health
11 care coverage to permit an unmarried child of an enrollee to
12 continue or reenroll in such coverage until the child ceases to
13 be a resident of this state or attains the age of 25 years old,
14 whichever occurs first, or so long as the unmarried child is a
15 full-time student in an accredited institution of postsecondary
16 education.

17 The bill is effective upon enactment. The provisions of
18 the bill are applicable to policies, contracts, or plans
19 of accident or health care coverage delivered, issued for
20 delivery, continued, or renewed in this state, on or after
21 enactment of the bill.
