A person employed as a practitioner shall hold a valid license with an endorsement for the type of service for which the person is employed. This section does not limit the duties or powers of a school board to select or discharge practitioners or to terminate practitioners' contracts. A professional development program, except for a program offered by a practitioner preparation institution or area education agency and approved by the state board of education, must possess a valid license for the types of programs offered.

EXPLANATION

The inclusion of this explanation does not constitute agreement with the explanation's substance by the members of the general assembly.

This bill eliminates a provision that requires the expiration date of a license issued by the board of educational examiners to be the last day of the license holder's birth month.
