Rebuild Iowa Infrastructure Fund

Fiscal Year	Recipient	Project Title	Description	City	Project Status	Estimated Completion Date	Total Estimated Project Cost	State Funds Obligated	State Funds Used	Comments
2018	Department of Cultural Affairs	State Historical Building Renovation Project 8983.01 Roof drains and piping replacement	Renovations to the State Historical Building have been developed into Priorities 1-5; DCA is partnering with DAS to address the most urgent repairs. Priorities 1 & 2 were funded with DAS RIIF major maintenance funds. Priority 1 – roof drains, piping and roof replacement in the worst areas; Priority 2 – roof and skylight replacement. Construction for this phase will be from July 2019 – July 2020. The DCA appropriated funds will cover collection and exhibits moves to accommodate construction (move archival documents, remove planes, etc.) and renovate adjacent ceilings, walls and floors to finish work in areas adjacent to the atriums where skylights are being replaced.	Des Moines	In-progress	7/1/2020 for phase I construction; 6/30/2021 for Priorities 1&2	\$ 1,000,000.00	\$ 1,000,000.00	\$ 206,753.00	
2017	Louisa County Historical Society	Civil War Memorial	Louisa County Historical Society created a civil war monument titled "The Last Full Measure of Devotion: The Littleton Brothers Civil War Monument", a 11' tall black granite monument in Louisa County to honor the six Littleton brothers who sacrificed their lives to the Civil War.	Louisa County	Completed	7/1/2016	\$ 150,000.00	\$ 150,000.00	\$ 150,000.00	
2017	Drakesville	Veterans Memorial Drakesville	Drakesville Betterment Committee selected the "Freedom Rock" as the veterans memorial; the project includes installation and associated infrastructure costs.	Drakesville	Completed	6/30/2017	\$ 20,000.00	\$ 12,000.00	\$ 12,000.00	
2017	Pacific Battleship Center	USS Iowa Hull Preservation	The Pacific Battleship Center is overseeing the USS Iowa Hull Preservation project which includes repair of active corrosion issues along the waterline of the USS Iowa. \$500,000 total appropriated over two-years in FY2017 & FY2018	Los Angeles, CA	Completed	8/13/2018	\$ 250,000.00	\$ 250,000.00	\$ 250,000.00	
2018	Pacific Battleship Center	USS Iowa Hull Preservation - Phase 2	The Pacific Battleship Center is overseeing the USS Iowa Hull Preservation project which includes repair of active corrosion issues along the waterline of the USS Iowa. This second phase of the project continues that work.	Los Angeles, CA	In-progress	3/31/2019	\$ 250,000.00	\$ 250,000.00	\$ 108,538.93	
2017	The Grout Museum District	Korean War History Project - Year 1, Sullivan Brothers Museum	The Grout Museum District will develop an exhibit about the role and contribution of Iowans during the Korean War. \$500,000 total appropriated over two-years in FY2017 & FY2018	Waterloo	In-progress	6/30/2019	\$ 250,000.00	\$ 250,000.00	\$ 209,820.64	
2018	The Grout Museum District	Korean War History Project - Year 2, Sullivan Brothers Museum	The Grout Museum District will develop an exhibit about the role and contribution of Iowans during the Korean War. The second year of funding continues this work.	Waterloo	In-progress	6/30/2019	\$ 250,000.00	\$ 250,000.00	\$ 125,000.00	

Iowa Great Places

	Grantee Name	Project Title	Description	City	Project Status	Estimated Completion Date	Total Estimated Project Cost	State Funds Obligated	State Funds Used	Other Revenue Sources
Great Place	Indian Creek Nature Center	Amazing Space	Project funding supports Amazing Space, a new outdoor educational project, which will create a unique place that raises the bar on sustainability and serves as a catalyst for people within our community, the state, and beyond to connect, experience, and respect the vast wonders of nature.	Cedar Rapids	Completed	8/29/2017	\$ 7,664,797.00	\$ 475,000.00	\$ 475,000.00	Local sources (\$104,385).

Great Place	City of Manning	Trails Connectors, Public Art, Trestle Park	Manning's Great Places projects include five key areas: 1) Safe Routes to School trail and the Hospital-Park Connector Trail; 2) Bronze art sculptures throughout the community; 3) A new park near the historic railroad trestle; 4) Art in the Park project; 5) Four unique art elements will be placed along Highway 141.	Manning	Completed	12/26/2017	\$ 1,323,480.00	\$ 165,000.00	\$ 165,000.00	Local sources (\$47,000).
Great Place	City of Grinnell	Central Park Improvements and Downtown Entrance Enhancements	The project involved complete reconstruction of Central Park including a new shelter, performance stage, water fountain, plaza, play equipment, landscaping, sidewalks, etc. The grant also funded improving the primary entrance to the downtown at 4th Avenue and Iowa Highway 146.	Grinnell	Completed	12/11/2017	\$ 3,700,000.00	\$ 200,000.00	\$ 200,000.00	Local sources (\$3,500,000), foundation grants (\$125,000), individual donations (\$120,000), corporation match (\$30,000).
Great Place	City of Des Moines	Sixth Avenue Corridor Streetscape Project, Part I	A streetscape project that will focus on complete streets design to accommodate all users and improve quality of life for local residents. Pedestrian features, bicycle racks, street trees, public art, landscaping, and green infrastructure will add features and beautification to the corridor to make it more attractive and functional.	Des Moines	In-progress, Granted Extension	12/31/2019	\$ 3,125,623.00	\$ 250,000.00	\$ -	Local sources (\$38,571), other state funds (\$286,772), private or foundation grants (\$120,284), federal funding (\$418,584), in-kind labor (\$31,200), and other sources (\$1,980,212).
Great Place	City of Waukee	Raccoon River Valley Trail Public Art & Cultural Corridor Initiative	The lead project of the RRVV Public Art Initiative is the construction of a public art & shelter structure, to be located at Waukee's RRVV trailhead park. The funds received through this grant application are being used for the construction of the 350' long, 15' tall LED lighted main trellis structure ("railroad pergola") constructed over the existing trail path, and a series of similarly designed LED lighted street-side bollards.	Waukee	Completed	12/31/2018	\$ 1,261,748.00	\$ 295,000.00	\$ 295,000.00	Local government (\$290,000) and other sources (\$3,310,250).
Great Place	City of Fort Dodge and Fort Dodge Community Foundation & United Way	Fort Dodge Historic Downtown Gateway Features	The Fort Dodge Historic Downtown Gateway Features project consists of installing two Gateway Features within two recently completed roundabouts within the City's Historic Downtown.	Fort Dodge	Completed	10/1/2017	\$ 449,161.00	\$ 125,000.00	\$ 125,000.00	Local sources (\$150,000) and private or foundation grants (\$178,417).
Great Place	City of Manning	Trestle Park Expansion and Trail	This Great Places project is an extension of the previous Great Places award. This project extends the opportunities of the Trestle Park by adding a paved pedestrian trail to tie the park to more locations and to expand the pedestrian access to more land, opening the possibilities for additional amenities.	Manning	Completed	9/6/2018	\$ 438,193.00	\$ 167,900.00	\$ 167,899.98	Foundation match (\$98,026), applicant match (\$15,000), state government sources (\$107,845), and local government sources (\$49,422).
Great Place	Friends of St. Mary's DBA Steeple Square	Steeple Square Community Revitalization	Steeple Square is revitalizing Dubuque's Washington and North End neighborhoods by re-purposing the former St. Mary's church campus into a collaborative, inclusive center that will be an agent for positive change, and a catalyst for restoring lives.	Dubuque	In-progress	6/30/2019	\$ 13,100,000.00	\$ 399,665.00	\$ 58,625.00	Match sources (\$12,700,335).
Great Place	Bondurant Development Inc.	Gateway to Chichaqua	Project funding supports the development of Gateway Park, the head of the planned recreational trail to Altoona. Gateway Park will include functional art in the form of over-sized swings, benches, and a unique lighting feature. The trail will connect to the Chichaqua Valley Trail and eventually complete a 35-mile loop of the Gay Lea Wilson Trail. This project includes the beautification of Highway 65 with the addition of native grasses, plants and trees.	Bondurant	Completed	1/5/2018	\$ 519,239.00	\$ 220,200.00	\$ 220,200.00	Local sources (\$10,000), other state funds (\$41,551), private or foundation grants (\$249,193), and Federal funding (\$15,425).
Great Place	City of Maquoketa	Main Street Pedestrian Enhancements	The project includes several vertical infrastructure improvements to enhance the pedestrian experience along Main Street. Improvements include a pedestrian bridge over the Maquoketa River, a trail connecting the pedestrian bridge to the Hurstville Interpretive Center, outdoor speakers along Main Street, wayfinding, functional art, planters, light poles and banners, sculpture to be placed in the downtown event space, and the rehabilitation of the facade of the Maquoketa Art Experience and Maquoketa Chamber/Welome Center.	Maquoketa	In-progress	1/1/2019	\$ 1,629,847.00	\$ 400,000.00	\$ 215,560.87	Local sources (\$793,988) and private or foundation grants (\$435,859).
Great Place	City of Forest City	Expanding Arts & Opportunities	The first project is the construction of a Fine Arts Center. The second project is to replace two welcome signs with newly designed signs. Two Forest City Welcome Signs have been designed, built and installed along the North and South ends of the community on Hwy 69.	Forest City	Completed	12/31/2018	\$ 9,641,000.00	\$ 157,000.00	\$ 157,000.00	Local sources (\$4,522,000), other state funds (\$900,000), and private or foundation grants (\$4,062,000).
Great Place	Malvern Area Betterment Assoc.	Downtown Streetscaping and Public Art Transformation	The project funding will support new sidewalks, new street lamps, wayfinding signage, tree sculptures and screens, large building mural and a new park.	Malvern	In-progress	6/30/2019	\$ 468,400.00	\$ 292,900.00	\$ 292,900.00	Private or foundation grants (\$7,500), private donations (\$10,000), other sources (\$121,326), and in-kind donations (\$36,674).
Great Place	John Wayne Birthplace	John Wayne Birthplace Museum and Trail	The project funds are to be used to move and restore 1903 barn to the John Wayne Birthplace home.	Winterset	Completed	5/1/2017	\$ 88,500.00	\$ 41,500.00	\$ 41,500.00	Local sources (\$38,571) and other sources (\$8,429).
Great Place	Linn County Conservation Board	Wapsipinicon River Scenic Overlook - Pinicon Ridge County Park	The overlook project will provide a large open shelter with a 2,300 sq. ft. deck and patio area along the ridge top for a view of the Wapsipinicon River.	Toddville	Not Started	12/31/2020	\$ 1,520,000.00	\$ 400,000.00	\$ -	Other sources (\$1,120,000).
Great Place	Madison County Chamber of Commerce	Rebuilding of Cedar Covered Bridge	Madison County will rebuild the Cedar Covered Bridge, destroyed by arson in April, 2017.	Winterset	In-progress	10/1/2019	\$ 719,663.00	\$ 275,770.00	\$ -	Local Sources (\$40,000), private and foundation grants (\$196,541), and other sources (\$207,352).
Great Place	City of Manning	Trestle Park Phase II	Phase II of Trestle Park will develop the natural play area for citizens and visitors through the creation of functional art, designed in part by ISU students.	Manning	In-progress	12/31/2020	\$ 109,785.00	\$ 31,380.00	\$ -	Local Sources (\$4,980), private and foundation grants (\$26,400), and other sources (\$47,025).
Great Place	Pottawattamie Arts, Culture & Entertainment	Harvester II Arts & Culture Center	PACE will renovate the historic Harvester II building in Council Bluffs into a 50,400 square foot arts and culture center offering arts programming.	Council Bluffs	In-progress	2/22/2020	\$ 23,480,543.00	\$ 400,000.00	\$ -	Local Sources (\$800,000), private and foundation grants (\$11,135,000), and other sources (\$11,145,543).
Great Place	Turkey River Recreational Corridor	Trail Expansion - Elgin to Gilbertson Park	This segment of the multi-use trail will start at the City of Elgin, cross over the Turkey River to connect to Gilbertson Park and 3 Turkey River accesses.	Elgin	In-progress	6/30/2019	\$ 1,437,000.00	\$ 216,000.00	\$ -	Local sources (\$364,000), other state funds (\$850,000), and private donations (\$7,000).

Great Place	City of Burlington	Downtown Riverfront Improvements	The Downtown Riverfront Improvements project will construct a recreational and social gathering space on the Mississippi riverfront. The project will add to and enhance the cultural and historic assets in downtown Burlington as well as establish a premier riverfront recreational experience that will serve as a driver for economic development.	Burlington	Not Started	12/31/2021	\$ 5,081,400.00	\$ 300,000.00	\$ -	Federal grants (\$4,781,400).	
Great Place	City of Decorah	Iconic Stone Structures	Funding for this project will provide continuity in the visitor experience among four different parks, enhancing character-defining elements of the Decorah park system, providing safer access to various park sites, and ensuring that these elements continue to serve future generations of residents and visitors.	Decorah	In-progress	12/31/2021	\$ 371,043.00	\$ 155,000.00	\$ -	Foundation match (\$12,978), local funding (\$103,826), and other sources (\$99,239).	
Great Place	City of Dubuque	Mathias Ham House Campus Restoration	Funding will support the long-term preservation and restoration of the Mathias Ham Historic Site including all structures on the site and landscaping.	Dubuque	Not Started	12/31/2021	\$ 666,993.00	\$ 285,762.00	\$ -	Federal sources (\$136,250), other state funding (\$45,175), local government funding (\$63,557), and other sources (\$136,249).	
Great Place	Malvern Area Betterment Assoc.	Malvern City Entrance Beautification	Funding for this project supports the design and manufacturing of a city welcome sign on Highway 34 for the City of Malvern as well as decorative light poles to extend the welcoming atmosphere of the downtown to the highway intersection.	Malvern	Not Started	12/31/2021	\$ 84,535.00	\$ 40,525.00	\$ -	Local sources (\$44,010).	
Great Place	City of Maquoketa	Maquoketa Trails: Pathways for the Community	The "Maquoketa Trails" project will complete the first established trail system in Maquoketa, connect Prairie Creek Recreation Area on the south end of town and the Hurstville Interpretive Center to the north; and will make the community more walkable and encourage healthier lifestyles.
