Re: Judicial Review Report for FY 2019
Date: June 24, 2019

Pursuant to Iowa Code Section 625.29(7), the Department of Public Safety provides the following report regarding judicial review actions pursuant to Iowa Code Chapter 17A, for Fiscal Year 2019.

There were no judicial review actions for FY 2019.

The Department reimburses the Attorney General for representation of the Department and the Boards within the Department. The Attorney General does not bill for individual cases, but provides all representation of the Department that is required. No outside counsel were hired for any judicial review actions during FY 2019.

Respectfully submitted,

Chandlor Collins
