Re: Injured Veteran Grant Report pursuant to House File 288 2019 Iowa Acts.

To the Honorable Kim Reynolds, Governor of Iowa and Members of the Iowa General,

Pursuant to House File 288, 2019 Iowa Acts we provide a history of the funding for the Injured Veteran Grant Program.

This program began in 2006 with appropriated money with a \$1 million appropriation from the Iowa General Assembly. Since that time there have been 2 additional appropriations of \$1 million dollars in 2007 and again in 2011.

Expenditures from the fund are as follows:

- FY11 / \$877,500
- FY12 / \$412,500
- FY13 / \$40,000
- FY14 / \$130,000
- FY15 / \$100,000
- FY16 / \$80,000
- FY17 / \$12,500
- FY18 / \$20,000
- FY19 / \$30,000

Current remaining balance: **\$183,897.**

Based on the 3 most recent fiscal years it is assumed no appropriation to the fund will be needed in the next fiscal year.

Sincerely,

Steven F. Lukan Executive Director Iowa Department of Veterans Affairs
