## INTRODUCTION

In 1989, the Iowa Board of Educational Examiners became an autonomous body. The Iowa Board of Educational Examiners is charged with the overall responsibility of regulating the licensure standards for teachers, administrators, paraeducators, and coaches. The Board consists of twelve members appointed by the Governor, and confirmed by the Iowa Senate, to four-year terms. Five members are licensed teachers, four are licensed administrators, two are public members, and one is the director from the Iowa Department of Education or her/his designee.

The Board sets standards for the issuance of licenses, certificates, and authorizations to practitioners, sets standards for license renewal, investigates ethics complaints that meet jurisdictional requirements that are filed with the Board, and monitors compliance of licensees with orders issued by the Board. In the last fifteen (15) years, the fewest number of licenses issued was 19,856 and the highest number was 29,262. The Board also maintains a Code of Professional Conduct and Ethics. The Board considers approximately 150 educator discipline cases each year.

To carry out its mission, the Board adopts rules and establishes standards for practitioners pursuant to its authority under Iowa Code chapter 272. The Board makes recommendations for rules regarding the practice, discipline, education, and licensure of educational practitioners. The licensure rules are in chapters 13-24 and 27 of the Iowa Administrative Code Section 282. The Code of Professional Conduct and Ethics and the Code of Rights and Responsibilities are in chapters 25 and 26. The following report is compiled pursuant to Iowa Code section 272.29.
