RE: Required Report

Dear Secretary Smithson, Chief Clerk Nelson and Director McDermott,

Pursuant to SF413, section 20 (to be codified as Iowa Code §47.7(2)(f)(1)) the Iowa Secretary of State's Office is required to submit a report to the General Assembly by April 30 of each year regarding the number of voter registrations cancelled due to the voter list maintenance program laid out in this new section.

Because SF413 was enacted in this middle of the 2021 voter list maintenance cycle, and our office has not had the opportunity to put in place administrative rules to implement this new voter list maintenance program, we do not have any cancellations to report on at this time.

If you have any questions, or if there is another way that I need to file this required report for 2021, please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Molly M. Widen".
