

Volunteer Iowa (Iowa Commission on Volunteer Service) Quarterly Report: April 1 – June 30, 2021

AmeriCorps:

Volunteer Iowa has awarded federal and state AmeriCorps funding that will leverage private and local funding for a total of \$12.2 million in support of over 700 AmeriCorps State members. These AmeriCorps members will be eligible to earn over \$2.6 million worth of Segal AmeriCorps Education Awards for the AmeriCorps members funded by these grants. After completing a full term of service, AmeriCorps members receive an award of approximately \$6,300 that they can use to pay for college or to pay off student loans.

With these awards, Iowa will now have over 1,500 AmeriCorps members serving, and over 7,400 National Service positions. AmeriCorps State grants provide funding to local organizations to support AmeriCorps members meeting critical community needs in the areas of education, disaster services, health, environmental stewardship, and economic opportunity.

In addition to the program grants listed below, Volunteer Iowa also approved the award of planning grant funding to four organizations to plan for future AmeriCorps operations. Several programs were also approved to request additional federal funding for the upcoming program year as it becomes available through the rollout of the American Rescue Plan Act, which will provide an additional \$1 billion for AmeriCorps over the next several years. This investment will be used to expand national service programs into new communities and increase the opportunity for all Americans to serve their country.
